

ITA-360P and ITA-361P are necessary to implement the duty-refund program.

II. Method of Collection

The Department of Commerce issues Form ITA-360P to each watch producer annually. No information is requested unless the recipient wishes to transfer the certificate. Form ITA-361P is obtained from the Department of Commerce and must be completed each time a certificate holder wishes to obtain a portion, or all, of the duty-refund authorized by the certificate. The form is then sent to the Department of Commerce for validation and returned to the producer. Form ITA-340P may be obtained from the territorial government or may be produced by the company in an approved computerized format or any other medium or format approved by the Department of Commerce and the Interior. The form is completed for each duty-free shipment of watches and watch movements into the U.S. and a copy is transmitted to the territorial government. Only if entry procedures are not transmitted electronically through Customs' automated broker interface, do the regulations require a copy of the permit be sent to Customs along with other entry paperwork.
