These funds are authorized under the National and Community Service Act of 1990, as amended, and represent the statute's population-based provision of program assistance formula funds that, in most cases, flow through approved state commissions on national and community service. Requirements relating to this assistance are published at 45 CFR Parts 2510 *et seq.* and are further described in the application guidelines. The Corporation will also provide *Principles for High Quality National Service Programs*, which includes program examples, upon request.

Organizations interested in applying for these program funds may participate in one of two conference calls to be held on May 8, 1998 and June 5, 1998, respectively, during which Corporation

Availability of Funds for New Foster Grandparent Projects—Nationwide

AGENCY: Corporation for National and Community Service.

ACTION: Notice of availability of funds.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation") announces the availability of up to \$3,000,000 to support 684 Foster Grandparents in new geographic areas that do not fall within approved geographic service areas of current Foster Grandparent program sponsors or urban areas or large counties where the project serves only part of the city or county. Approximately \$1,500,000 will be made available to support each of two national organizations and six of their local affiliates. Each national organization will be expected to provide coordination, networking, and training and technical assistance to its local affiliates. The affiliates of each national organization will support a total of approximately 337 Foster Grandparents for each national organization. Awards will cover a twelve-month period and can be renewed for up to twenty-four additional months contingent upon the continuing need for the projects, performance and the availability of appropriations. This allows the Corporation to fund multi-state and multi-site projects that are national in scope and build on the existing networks of the national organizations. The Corporation is seeking national organizations that are willing to actively promote senior service within their own networks and that view older volunteers as an important resource in accomplishing their own objectives.

The purpose of the Foster Grandparent Program is to provide
