**Agency Information Collection Activities: Submission for OMB Review; Comment Request**

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a list of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Proposed Project: Feasibility Study To Evaluate the Positive Activities

Campaign—New—The Center for Substance Abuse Prevention is launching the Positive Activities Campaign, which is an initiative to encourage adults to become more involved in positive, skill-building activities with youth. The ultimate goal of the initiative is to reduce substance abuse among young people. To determine whether the effects from such a campaign can be evaluated, CSAP is proposing a feasibility study of PAC that consists of both a process and an outcomes evaluation. The evaluation will determine whether change can be measured in communities exposed to PAC, including change in adults' involvement with youth. Data for the process evaluation will come primarily from on-site interviews with key personnel, supported by focus groups with volunteers; data for the outcomes evaluation will be collected through a baseline and follow-up telephone survey of adults. The estimated annual burden hours are as follows:

Data collection instrument	Number of respondents	Hours per response	Total annual response burden
Baseline telephone survey of random sample of adults .....	1,800	0.20	360
Follow-up telephone survey of respondents from baseline survey .....	1,600	0.15	240
Interviews with local-level staff for process evaluation .....	240	2.00	480
Focus groups .....	120	1.50	270
<b>Total .....</b>			<b>1,350</b>

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Daniel Chenok, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.
