National Park Service

Appalachian National Scenic Trail

AGENCY: National Park Service; Interior.

ACTION: Record of decision.

SUMMARY: This action announces a decision on a proposed exchange of federally-owned lands for privately owned lands near Cloud Bank Road, Township of Philipstown, Putnam County, New York.

The National Park Service's Appalachian National Scenic Trail will continue with negotiations to exchange federally-owned lands for privately-owned lands near Cloud Bank Road in the Garrison, New York area. The federally-owned lands include the Colt Estate Dam. The authority for this exchange is Section 5(b) of the Land and Water Conservation Fund Act Amendments in Public Law 90-401 approved July 15, 1968 and Section 7(f) of the National Trails System Act, Public Law 90-543, as amended.

The proposal to exchange lands has generated a significant amount of public interest. On June 28, 1997, the National Park Service (NPS) published a Notice of Realty Action describing the lands to be exchanged. The National Park Service subsequently conducted a public meeting concerning the proposed exchange in Garrison, New York on December 16, 1997.

Written comments both in favor of and in opposition to the proposed exchange were received from concerned citizens and local, state and federal officials. Comments from the public at the Garrison meeting also were recorded for review and evaluation.

The comments expressed can be characterized as fitting into four main themes: (1) Concern over transferring lands protected by the NPS to private citizens, (2) Concern over development over the exchanged lands, (3) Concern with the condition of the Colt Estate Dam, and (4) Concern with land valuation.

In response to the concerns expressed by the public, the Appalachian Trail Park Manager has directed the Appalachian Trail Land Acquisition Office to continue with negotiations to exchange the federally-owned lands for privately-owned lands. The conditions of the exchange now will include conservation restrictions to be held by a third party, non-profit entity on the property to be exchanged, and deed provisions whereby the owners, his heirs and assigns agree to maintain liability insurance with assurances that

dam repairs and maintenance are performed to the satisfaction of New York State dam safety officials.

FOR FURTHER INFORMATION CONTACT: Chief, Acquisition Division, National Park Service, AT/LAFO, PO Box 908, Martinsburg, WV 25402, 304-263-4943.

Dated: May 19, 1998.

Pamela Underhill,

Park Manager, Appalachian National Scenic Trail.
