Agency Information Collection Under OMB Review

Title: Information Collection from applicants who will respond to Request

for Applications for funding of 6 OCS competitive grants.

OMB No.: 0970-0062.

Description: The Office of Community Services is requesting approval to continue the use of its program announcements to collect information which will enable the agency to determine which projects to fund and the amount of the grant awards. The programs covered include: Community Food and Nutrition; Discretionary Grants Program; Low Income Home Energy Assistance Program; Job Opportunities for Low-Income Individuals; Training and Technical Assistance and Capacity Building; and Family Violence Prevention and Services Program.

Information collected from the requirements contained in these 6 program announcements will be the sole source of information available to OCS in reviewing applications leading to awards of discretionary grants to eligible applicants.

The application forms that will be used contain information for competitive review in accordance with the program announcements' guidelines. The data provided is necessary to compute the amount of the grant in relation to proposed project activities by the ACF Grant Officers.

OMB recommended that ACF submit one information collection package covering all OCS program announcements, since the same application form is used in each announcement. This information collection was last approved in 1995 and is due to expire September 30, 1998. Since the last approval, the Demonstration Partnership Program no longer exists. Therefore, this request covers 6 programs, rather than the 7 programs previously covered.

Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services, 370 L'Enfant Promenade, S.E., Washington, DC 20447, Attn: ACF Reports Clearance Officer.
