agencies to comment on proposed information collections. NARA published a notice of proposed collection for this information collection on April 14, 1998 (63 FR 18235). No comments were received. NARA has submitted the described information collection to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) whether the proposed information collection is necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology. In this notice, NARA is soliciting comments concerning the following information collection:

Title: Military Personnel Records (MPR) Customer Satisfaction Survey. OMB number: 3095-00XX. Agency form number: N/A. Type of review: Regular.

Affected public: Federal, state and local government agencies, veterans, and individuals who write the Military Personnel Records (MPR) facility for information from or copies of official military personnel files.

Estimated number of respondents: 21.333.

Estimated time per response: 15 minutes.

Frequency of response: On occasion (when respondent writes to MPR requesting information from official military personnel files).

Estimated total annual burden hours: 5,333 hours.

Abstract: The information collection is prescribed by EO 12862 issued September 11, 1993, which requires Federal agencies to survey their customers concerning customer service. The general purpose of this data collection is to initially support the business process reengineering (BPR) of the MPR reference service process and then provide MPR management with an ongoing mechanism for monitoring customer satisfaction. In particular, the purpose of the proposed MPR Customer Satisfaction Survey is to (1) provide baseline data concerning customer satisfaction with MPR's reference service process, (2) identify areas within the reference service process for improvement, and (3) provide MPR management with customer feedback on the effectiveness of BPR initiatives designed to improve customer service as

they are implemented. In addition to supporting the BPR effort, the proposed MPR Customer Satisfaction Survey will help NARA in responding to performance planning and reporting requirements contained in the **Government Performance and Results** Act (GPRA).
