DEPARTMENT OF AGRICULTURE

Office of the Secretary

Privacy Act; System of Records

AGENCY: Office of the Secretary, USDA.

ACTION: Notice of revised Privacy Act systems of records.

SUMMARY: Notice is hereby given that the USDA proposes to revise its systems of records relating to the Rural Development Mission Area.

EFFECTIVE DATE: This notice will be adopted without further publication in the **Federal Register** on September 15, 1998, unless modified by a subsequent notice to incorporate comments received from the public. Although the Privacy Act requires only that the portion of the system which describes the "routine uses" of the system be published for comment, USDA invites comment on all portions of this notice. Comments must be received by the contact person listed below on or before August 17, 1998.

FOR FURTHER INFORMATION CONTACT: Dorothy Hinden, Freedom of Information Officer, Support Services Division, Rural Development, U.S. Department of Agriculture, 1400 Independence Avenue, SW, Stop 0742, Washington, DC 20250-0742; telephone (202) 720-9638.

SUPPLEMENTARY INFORMATION: Pursuant to the Privacy Act, 5 U.S.C. 552a, USDA is redesignating and revising seven systems of records and deleting two systems of records formerly maintained by the Farmers Home Administration ("FmHA"). In 1994, USDA reorganized, transferring the farm loan functions of FmHA to the Farm Service Agency ("FSA"). The revisions USDA is proposing reflect this reorganization. The following are the constituent agencies of Rural Development: (1) Rural Housing Service, (2) Rural Business-Cooperative Service, and (3) Rural Utilities Service. Specifically,

USDA will delete the system designated as USDA/FmHA-3, "Designated Attorney and Escrow Agent File" and incorporate the records maintained in that system into USDA/Rural Development-1, "Applicant, Borrower, Grantee, or Tenant File." A second system of records, USDA/FmHA-7, "Reserved Mineral Interests", is being deleted because the records are no longer maintained by USDA. In addition, USDA is redesignating, reorganizing, and revising systems as follows:

(1) USDA will maintain the records relating to the Rural Development Mission Area formerly maintained under the system designation "USDA/FmHA-1, Applicant, Borrower, Grantee, or Tenant File" under the new designation "USDA/Rural Development-1, Applicant, Borrower, Grantee, or Tenant File." That portion of the former system pertaining to Farmer Loan Programs has already been redesignated as a separate system entitled "USDA/FSA-14, Applicant/Borrower." In addition to the redesignation to reflect the reorganization of FmHA programs as Rural Development programs, USDA is amending the system to include social security or employee identification number, bank routing and account number under the heading, "categories of records in the system."

USDA is making the following revisions to the routine uses in the system:

(1) Routine use number 3 which permits release of names, home addresses, social security numbers, and financial information to business firms in a trade area that buy chattel or crops or sell them for commission is being deleted because it is no longer needed. It is being replaced as follows: Referral of legally enforceable debts to the Department of the Treasury under the Treasury Offset Program (TOP) and the Debt Collection Improvement Act of 1996, Pub. L. 104-134. (2) Additional language is being added to routine use number 7 to provide information from this system to assist the borrower in placing the property on the market through a real estate agent. Two new routine uses have been added: (1) Routine use number 17 which provides to consumer or commercial reporting agencies information from this system indicating that an individual is responsible for a claim that is current.

(2) Routine use number 18 which permits release of names, home and work addresses, home telephone numbers, social security numbers, and financial information to escrow agents (which also could include attorneys and title companies) selected by the applicant or borrower for the purpose of closing the loan.

(2) USDA is redesignating USDA/FmHA-2, "Biographical Sketch File" as USDA/Rural Development-2 "Biographical Sketch File." This system is being amended to indicate a change in the record system location; and to indicate a change in the categories of individuals covered by the system.

(3) USDA is redesignating USDA/FmHA-5, "Graduation File" as USDA/Rural Development-3, "Graduation File." This system is being amended to indicate a position title change and to remove the County Committee from the categories of records in the system since it is no longer needed. It is further being amended to add "or to assist the borrower in the sale of the property" to the routine use number 3. The purpose of this amendment is to assist the borrower in placing the property on the market through a real estate agent. Stylistic changes have been made in the three routine uses for purposes of clarification.

(4) USDA is redesignating USDA/FmHA-6, "Housing Contractor Complaint File" as USDA/Rural Development-4, "Housing Contractor Complaint File." Stylistic changes have been made in routine uses 1 and 2.

(5) USDA/FmHA-8, "Tort Claims File" is being amended to indicate a change in the system designation to USDA/Rural Development-5 "Tort Claims File." Rural Development has made stylistic changes in the language of the routine use.

(6) USDA/FmHA-9, "Training Files" is being amended to indicate a change in the system designation to USDA/Rural Development-6, "Training Files." This system is being amended to delete the Norman, OK site. Stylistic changes have been made in the routine use for purposes of clarification.

(7) USDA/FmHA-10, "Travel Records" is being amended to indicate a change in the system designation to USDA/Rural Development-7, "Travel Records" and to reflect that the period "Two years" is being replaced with "six years" under the retention and disposal schedule.

Changes in system locations, position titles for system managers, and addresses have been made where appropriate; and all references to Farmers Home Administration have been changed to Rural Development.

A "Report on Revised System," required by 5 U.S.C. 552a(r), as implemented by Appendix III to OMB Circular A-130, was sent to the Chairman, Senate Committee on Governmental Affairs, the Chairman, House Committee on Government Reform and Oversight, and the Director, Office of Information and Regulatory Affairs, Office of Management and Budget on April 15, 1998.

Signed at Washington, DC on April 15, 1998.

Dan Glickman,

Secretary of Agriculture.

A record of deposits to and withdrawals from an individual's supervised bank account is also contained in those files where appropriate. In some Local Offices, this record is maintained in a separate folder containing only information relating to activity within supervised bank accounts. Some items of information are extracted from the individual's file and placed in a card file for quick reference.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

7 U.S.C. 1921 *et seq.*, 42 U.S.C. 1471 *et seq.*, and 42 U.S.C. 2706.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

1. When a record on its face, or in conjunction with other records, indicates a violation or potential violation of law, whether civil, criminal, or regulatory in nature, and whether arising by general statute or particular program statute, or by regulation, rule, or order issued pursuant thereto, disclosure may be made to the appropriate agency, whether Federal, foreign, State, local, or tribal, or other public authority responsible for enforcing, investigating, or prosecuting such violation or charged with enforcing or implementing the statute, or rule, regulation, or order issued pursuant thereto, if the information disclosed is relevant to any enforcement, regulatory, investigative, or prospective responsibility of the receiving entity.

2. A record from this system of records may be disclosed to a Member of Congress or to a congressional staff member in response to an inquiry of the congressional office made at the written request of the constituent about whom the record is maintained.

3. Rural Development will provide information from this system to the U.S. Department of the Treasury and to other Federal agencies maintaining debt servicing centers, in connection with overdue debts, in order to participate in the Treasury Offset Program as required by the Debt Collection Improvements Act, Pub. L. 104-134, Section 31001.

4. Disclosure of the name, home address, and information concerning default on loan repayment when the default involves a security interest in tribal allotted or trust land. Pursuant to the Cranston-Gonzales National Affordable Housing Act of 1990 (42 U.S.C. 12701 *et seq.*), liquidation may be pursued only after offering to transfer the account to an eligible tribal member, the tribe, or the Indian housing authority serving the tribe(s).

5. Referral of names, home addresses, social security numbers, and financial information to a collection or servicing contractor, financial institution, or a local, State, or Federal agency, when Rural Development determines such referral is appropriate for servicing or collecting the borrower's account or as provided for in contracts with servicing or collection agencies.

6. It shall be a routine use of the records in this system of records to disclose them in a proceeding before a court or adjudicative body, when: (a)

The agency or any component thereof; or (b) any employee of the agency in his or her official capacity; or (c) any employee of the agency in his or her individual capacity where the agency has agreed to represent the employee; or (d) the United States is a party to litigation or has an interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation, provided, however, that in each case, the agency determines that disclosure of the records is a use of the information contained in the records that is compatible with the purpose for which the agency collected the records.

7. Referral of names, home addresses, and financial information for selected borrowers to financial consultants, advisors, lending institutions, packagers, agents, and private or commercial credit sources, when Rural Development determines such referral is appropriate to encourage the borrower to refinance his Rural Development indebtedness as required by Title V of the Housing Act of 1949, as amended (42 U.S.C. 1471), or to assist the borrower in the sale of the property.

8. Referral of legally enforceable debts to the Department of the Treasury, Internal Revenue Service (IRS), to be offset against any tax refund that may become due the debtor for the tax year in which the referral is made, in accordance with the IRS regulations at 26 CFR 301.6402-6T, Offset of Past Due Legally Enforceable Debt Against Overpayment, and under the authority contained in 31 U.S.C. 3720A.

9. Referral of information regarding indebtedness to the Defense Manpower Data Center, Department of Defense, and the United States Postal Service for the purpose of conducting computer matching programs to identify and locate individuals receiving Federal salary or benefit payments and who are delinquent in their repayment of debts owed to the U.S. Government under certain programs administered by Rural Development in order to collect debts under the provisions of the Debt Collection Act of 1982 (5 U.S.C. 5514) by voluntary repayment, administrative or salary offset procedures, or by collection agencies.

10. Referral of names, home addresses, and financial information to lending institutions when Rural Development determines the individual may be financially capable of qualifying for credit with or without a guarantee.

11. Disclosure of names, home addresses, social security numbers, and financial information to lending institutions that have a lien against the same property as Rural Development for

the purpose of the collection of the debt. These loans can be under the direct and guaranteed loan programs.

12. Referral to private attorneys under contract with either Rural Development or with the Department of Justice for the purpose of foreclosure and possession actions and collection of past due accounts in connection with Rural Development.

13. It shall be a routine use of the records in this system of records to disclose them to the Department of Justice when: (a) The agency or any component thereof; or (b) any employee of the agency in his or her official capacity where the Department of Justice has agreed to represent the employee; or (c) the United States Government, is a party to litigation or has an interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation and the use of such records by the Department of Justice is therefore deemed by the agency to be for a purpose that is compatible with the purpose for which the agency collected the records.

14. Referral of names, home addresses, social security numbers, and financial information to the Department of Housing and Urban Development (HUD) as a record of location utilized by Federal agencies for an automatic credit prescreening system.

15. Referral of names, home addresses, social security numbers, and financial information to the Department of Labor, State Wage Information Collection Agencies, and other Federal, State, and local agencies, as well as those responsible for verifying information furnished to qualify for Federal benefits, to conduct wage and benefit matching through manual and/or automated means, for the purpose of determining compliance with Federal regulations and appropriate servicing actions against those not entitled to program benefits, including possible recovery of improper benefits.

16. Referral of names, home addresses, and financial information to financial consultants, advisors, or underwriters, when Rural Development determines such referral is appropriate for developing packaging and marketing strategies involving the sale of Rural Development loan assets.

17. Rural Development, in accordance with 31 U.S.C. 3711(e)(5), will provide to consumer reporting agencies or commercial reporting agencies information from this system indicating that an individual is responsible for a claim that is current.

18. Referral of names, home and work addresses, home telephone numbers,

social security numbers, and financial information to escrow agents (which also could include attorneys and title companies) selected by the applicant or borrower for the purpose of closing the loan.

DISCLOSURE TO CONSUMER REPORTING AGENCIES.

Disclosures pursuant to 5 U.S.C. 552a(b)(12): Disclosures may be made from this system to consumer reporting agencies as defined in the Fair Credit Reporting Act (15 U.S.C. 1681a(f)) or the Federal Claims Collection Act (31 U.S.C. 3701(a)(3)).
