DEPARTMENT OF JUSTICE

Immigration and Naturalization Service

[INS No. 1943-98; AG Order No. 2169-98]

Requirement for Registration and Fingerprinting of Certain Nonimmigrants

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Notice.

SUMMARY: This notice consolidates and replaces two prior notices requiring the registration and fingerprinting of certain nonimmigrants. The prior notices were published in response to continuing concern for national security resulting from terrorist attacks and uncovered plots directed by nationals of certain countries. This consolidation of prior notices allows more flexibility in the publication of such notices and clarifies the Attorney General's authority to exempt certain nationals from countries listed in this notice when such action is deemed to be in the interest of foreign policy or national security.

EFFECTIVE DATES: July 21, 1998.

FOR FURTHER INFORMATION CONTACT:

Walter D. Cadman, Counterterrorism Coordinator, Office of Field Operations, Immigration and Naturalization Service, 425 I Street, NW., Room 7125, Washington, D.C. 20536, telephone (202) 305-3396.

SUPPLEMENTARY INFORMATION: On January 16, 1991, the Department of Justice published a Final Rule in the **Federal Register** at 56 FR 1566 requiring the registration and fingerprinting of certain nonimmigrants bearing Iraqi and Kuwaiti travel documents who apply for admission to the United States. The requirement was promulgated in response to the United States' condemnation of Iraq's invasion of Kuwait, United States' sanctions against Iraq, and the theft of thousands of Kuwaiti passports during the occupation of Kuwait by Iraq, all of which heightened the potential for domestic anti-United States terrorist activities. On December 23, 1993, the Department published an Interim Rule in the **Federal Register** at 58 FR 68024 that removed the requirement for the registration and fingerprinting of certain nonimmigrants bearing Iraqi and Kuwaiti travel documents and added a new paragraph (f) to 8 CFR 264.1. Paragraph (f) of that section provides that the Attorney General may require, by public notice in the **Federal Register**, certain nonimmigrants of specific countries to be registered and fingerprinted upon arrival in the United States, pursuant to section 263(a)(6) of the Immigration and Nationality Act, as amended.

Under the authority of 8 CFR 264.1(f), the Department published a notice entitled Requirement for the Registration and Fingerprinting of Certain Nonimmigrants Bearing Iranian and Libyan Travel Documents in the **Federal Register** at 61 FR 46829 (September 5, 1996) and a notice

entitled Requirement for the Registration and Fingerprinting of Certain Nonimmigrants Bearing Iraqi and Sudanese Travel Documents in the **Federal Register** at 58 FR 68157 (December 23, 1993). This notice replaces and consolidates these prior notices.

Notice of Requirement for Registration and Fingerprinting of Certain Nonimmigrants

Pursuant to 8 CFR 264.1(f), I hereby order as follows: nonimmigrant aliens from the following countries shall be registered on Form I-94 (Arrival/Departure Record), photographed, and fingerprinted on Form FD-258 (Fingerprint Chart) by the Immigration and Naturalization Service at the Port of Entry where the aliens apply for admission to the United States: Iran; Libya; Iraq; and Sudan.

Nonimmigrants who apply for admission under section 101(a)(15)(A) or 101(a)(15)(G) of the Immigration and Nationality Act, as amended, are exempt from the requirements of this notice. In addition, the Attorney General, after consultation with the Secretary of State, may exempt certain nonimmigrants who are nationals of the countries listed herein from the requirements of this notice when such action is deemed to be in the interest of foreign policy or national security. Nothing in the foregoing sentence may be construed as creating a right to apply for or receive such an exemption.

Dated: July 17, 1998.

Janet Reno,

Attorney General.
