SUPPLEMENTARY INFORMATION: On June 19, 1998, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (63 FR 33631) of proposed additions to the Procurement List. After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

International Trade Administration

Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From Italy, Romania, and the United Kingdom; Amended Final Results of Antidumping Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amended final results of antidumping duty administrative reviews.

SUMMARY: On June 18, 1998, the Department of Commerce published the preliminary results of administrative reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Romania, Singapore, Sweden, and the United Kingdom (63 FR 33320). The period of review is May 1, 1996, through April 30, 1997. Subsequent to the publication of the preliminary results, we received comments alleging that we made various ministerial errors in calculating the final results with regard to ball bearings from Italy, Romania and the United Kingdom. Based on the correction of certain ministerial errors, we have changed the margins for ball bearings and parts thereof for two companies.
