## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Project No. 2042-010 Washington]

#### Public Utility District No. 1 of Pend Oreille County; Notice of Availability of Draft Environmental Assessment

August 10, 1998.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's regulations, 18 CFR Part 380 (Order No. 486, 52 F.R. 47910), the Office of Hydropower Licensing (OHL) reviewed the proposal to add project lands in the upstream portion of the project reservoir that were not included within the original project boundary for the Box Canyon Hydroelectric Project in Pend Oreille County, Washington. In addition, OHL reviewed an Offer of Settlement made by the parties to this proceeding. The Commission prepared a draft environmental assessment (DEA) for the proposed action and offer of settlement. In the DEA, the Commission concludes that approval of the proposed boundary change and offer of settlement will not constitute a major federal action significantly affecting the quality of the human environment.

This DEA was written by staff in the Office of Hydropower Licensing (OHL). As such, the DEA is OHL staff's preliminary analysis of the licensee's proposed boundary change and the parties offer of settlement. No final conclusions have been made by the Commission regarding this matter.

Should you wish to provide comments on the DEA, they should be filed within 30 days from the date of this letter. Comments should be addressed to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. Please include the project number (2042-010) on any comments filed.

Copies of the DEA are available for review in the Reference and Information Center, Room 2A, of the Commission's offices at 888 First Street, N.E., Washington, D.C. 20426.

For further information, please contact Jim Hastreiter at (503) 326-5858, ext. 225 or George Taylor at (202) 219-2692.
