Designation of the Off Highway Vehicle (OHV) Land Classifications Within the Tillamook Resource Area, Salem District, Oregon**AGENCY:** Bureau of Land Management Interior.

ACTION: This notice supplements the **Federal Register** Notice OR-080-95-6350-00-G5-161, Availability of the Resource Management Plan and Record of Decision, Salem, Oregon and establishes the designation of OHV management classifications (open, limited or closed) of all public lands within the Tillamook Resource Area, Salem District, Oregon.

SUMMARY: The location of the public lands to be classified lie within Tillamook, Yamhill, Clatsop, Columbia, Washington and Multnomah Counties in northwest Oregon. The Salem District Resource Management Plan (RMP) allocated acres in each of the three major OHV classifications and indicated that mapping of these classifications would be completed under subsequent planning. Areas of unique resource value was designated in the RMP as closed to use of OHV's. Areas where OHV's could be used with certain restrictions were described. The remaining area was listed as open. The mapping has been completed and is available for distribution and implementation.

SUPPLEMENTARY INFORMATION: The following areas as identified in the RMP are CLOSED to the use of OHV's: High Peak/Moon Creek ACEC/RNA, 1538 acres; Elk Creek ACEC, 1577 acres; The Butte ACEC/RNA 40 acres; Raymond Creek Bald Eagle Roost Area and the nearby alternate roost area, 320 acres; progeny test sites, 113 acres. The following areas are designated as LIMITED: Nestucca River ACEC, 1062 acres; Sheridan Peak ACEC, 299 acres; Walker Flat ACEC, 10 acres; Yampo ACEC, 13 acres; the remainder of majority of the lands which correspond to the area designated as Late Successional Reserve and the un-mapped riparian reserves within the Tillamook Resource Area, approximately 80,000 acres. The remainder of the Tillamook Resource Area is designated as OPEN. Definitions of these classifications may be found in 43 CFR 8340.0-5.

In addition, all OHV's used in the Upper Nestucca OHV area will be required to be equipped with mufflers

which limit sound emissions to a maximum of ninety-nine dB(A) when measured according to stationary testing procedure SAE J1287.

Authority for this action is contained in 43 CFR 8342.1. Any person who fails to comply with a restriction order may be subject to a fine not to exceed \$1,000 and/or imprisonment not to exceed 12 months. Penalties are contained in 43 CFR 8340.0-7. Only delegated Federal Law Enforcement Officers, or other law enforcement and emergency personnel, or officials of the United States Departments of Interior, while engaged in these official duties, shall be exempt from this order.

DATES: This order is in effect January 1, 1999, and is permanent until cancelled, amended or replaced.
