

and limit confusion regarding when exercise settlement is to occur. In addition, the Commission believes that permitting an OCC clearing member's net margin credit from exercised cross-rate currency options to offset any other margin requirement also promotes the coordination of settlement across markets. Therefore, the Commission believes that OCC's rule change is consistent with its obligation under Section 17A(b)(3)(F) to promote the prompt and accurate clearance and settlement of securities transactions.

III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular with Section 17A of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-OCC-98-05) be and hereby is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁶

Deputy Secretary.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Currently, Advice A-1 ("Responsibility of Displaying Best Bid and Offer Prices Established on the Equity Floor") requires specialists to use due diligence to ensure proper and timely display of bids and offers respecting primary issues. For secondary issues, this requirement applies where the bid or offer is equal to or better than the national best bid or offer ("NBBO"). Advice A-1 pre-dates SEC Rule 11Ac1-4³ which imposed new display requirements for "reported securities" and any other security for which a transaction report, last sale data or quotation information is disseminated through an automated quotation system as described in Section 3(a)(51)(A)(ii) of the Act. Since primary stock issues assigned to specialists on regional exchanges are not subject to this requirement, the proposed rule change would amend Advice A-1 only with respect to secondary issues that are traded pursuant to unlisted trading privileges ("UTP"). The proposed change would amend Advice A-1 to provide that the display requirement for secondary issues is the Commission's display rule, which requires specialists, subject to certain exceptions, to display not only those orders that are at or better than the NBBO, but also those that improve the specialist's quote or add 10% or more to the specialist's quote when the quote is the NBBO.⁴

Currently, Advice A-1 contains a fine schedule, which is administered pursuant to the Exchange's minor rule violation enforcement and reporting plan.⁵ The proposed amendment would

³The limit order display rule was adopted by the SEC as part of its Order Handling Rules. See Securities Exchange Act Release No. 37619A (September 6, 1996), 61 FR 48290 (September 12, 1996) ("Order Handling Rules Adopting Release"); amended in Securities Exchange Act Release No. 38139 (January 8, 1997), 62 FR 1385 (January 10, 1997).

⁴In the Order Handling Rules Adopting Release, the Commission stated that a customer limit order should be considered *de minimis* if it is less than or equal to 10% of the displayed size associated with a specialist's bid or offer. If a customer limit order is *de minimis*, the specialist does not need to add that order to his quote. See Order Handling Rules Adopting Release, *supra* note 3, at not 177 and accompanying text. For this reason, the Exchange is requiring a specialist to display only those customer orders that add 10% or more to the size of the specialist's quote.

⁵The Phlx's minor rule violation enforcement and reporting plan ("minor rule plan"), codified in Phlx Rule 970, contains floor procedure advices with accompanying fine schedules. SEC Rule 19d-1(c)(2) authorizes national securities exchanges to adopt minor rule violation plans for summary

also delete the reference to a minimum number of occurrences and would refer violations to the Business Conduct Committee for both primary and secondary issues.

The proposed rule change is consistent with Section 6 of the Act in general, and in particular, with Section 6(b)(5), in that it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and practices, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, as well as to protect investors and the public interest, in that it requires specialists to provide enhanced information regarding orders to the market by revising Advice A-1 to correspond to SEC Rule 11Ac1-4.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Phlx does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or,

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is

consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Copies of such filing will also be available for inspection and copying at the principal office of the Phlx. All submissions should refer to File No. SR-PHLX-98-24 and should be submitted by November 12, 1998.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Deputy Secretary.
