

prime vendor is selected and service is available. At a later date, after the HRSA Prime Vendor begins operations, HRSA will issue a new **Federal Register** notice soliciting comments on a proposal to require covered entities subject to the grant requirement proposed in this notice to purchase their covered outpatient drugs from the HRSA Prime Vendor. Those AIDS Drug Assistance Projects (ADAPs), which participate in 340B through rebates, would not be subject to this additional grant requirement or eligible to participate in the Prime Vendor Program.

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a list of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Pretesting of Substance Abuse Prevention and Treatment and Mental Health Services Communication Messages—NEW—As the Federal agency responsible for developing and disseminating authoritative knowledge about substance abuse prevention, addition treatment, and mental health services and for mobilizing consumer support and increasing public

understanding to overcome the stigma attached to addiction and mental illness, the Substance Abuse and Mental Health Services Administration (SAMHSA) is responsible for development and dissemination of a wide range of education and information materials for both the general public and the professional communities. This submission is for generic approval and will provide for formative and qualitative evaluation activities to (1) assess audience knowledge, attitudes, behavior and other characteristics for the planning and development of messages, communication strategies and public information programs; and (2) test these messages, strategies and program components in developmental form to assess audience comprehension, reactions and perceptions. Information obtained from testing can then be used to improve materials and strategies while revisions are still affordable and possible. The annual burden associated with these activities is summarized below.

Activity	Number of respondents	Responses per respondent	Hours per response	Total Hours
Individual in-depth interviews:				
General public	400	1	.75	300
Service Providers	200	1	.75	150
Focus group interviews:
