Special Local Regulations for Marine Events; Blackbeard’s Bounty Festival Pirate Attack, Bogue Sound, Morehead City, North Carolina

**AGENCY:** Coast Guard, DOT.

**ACTION:** Temporary final rule.

**SUMMARY:** Temporary special local regulations are being adopted for the Blackbeard’s Bounty Festival Pirate Attack to be held in the waters of Bogue Sound, between the Morehead City waterfront and Sugar Loaf Island, North Carolina. These special local regulations are necessary to control vessel traffic in the immediate vicinity of this event. The effect will be to restrict general navigation in the regulated area for the safety of spectators, event participants, and transiting vessels.

**EFFECTIVE DATE:** This regulation is effective from 1:30 p.m. to 6 p.m. on November 7, 1998.

**FOR FURTHER INFORMATION CONTACT:** Petty Officer Matheny, Marine Events Coordinator, Commander, Coast Guard Group Fort Macon, P.O. Box 237, Atlantic Beach, North Carolina 28512–0237, telephone number (252) 247–4570.

**SUPPLEMENTARY INFORMATION: Regulatory History**

In accordance with 5 U.S.C. 553, a notice of proposed rulemaking was not published for this regulation and good cause exists for making it effective in less than 30 days from the date of publication. Following normal rulemaking procedures would have been impractical. The request to hold the event was not received until October 9, 1998. Publishing a notice of proposed rulemaking and delaying its effective date would be contrary to safety interests, since immediate action is needed to minimize potential danger to the participants in this event.
