Colorado Interstate Gas Co.; Notice of Tariff Filing

November 9, 1998.

Take notice that on November 4, 1998, Colorado Interstate Gas Company (CIG), tendered for filing to become part of its FERC Gas Tariff, First Revised Volume No. 1, Substitute Fifth Revised Sheet No. 303 to be effective October 1, 1998.

It has been pointed out that in CIG's filing in compliance with the order that was issued on September 29, 1998 in Docket No. RP98-113-003 CIG inadvertently left out the word "TF-1" on Fifth Revised Sheet No. 303. CIG is filing herein to correct this error.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, D.C. 20426, in accordance with § 385.211 of the Commission's rules and regulations. All such protests must be filed as provided in § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP99-45-000]

El Paso Natural Gas Company; Notice of Application

November 9, 1998.

Take notice that on October 30, 1998, El Paso Natural Gas Company (Applicant), P.O. Box 1492, El Paso, Texas 79978, filed in Docket No. CP99-45-000 an abbreviated application pursuant to Section 7(b) of the Natural Gas Act, as amended, and Sections 157.7 and 157.18 of the Federal Energy Regulatory Commission's (Commission) regulations thereunder, for permission and approval to abandon certain facilities located in Pima County, Arizona, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Applicant proposes to abandon in place approximately 1,792 feet of Line No. 1008 and abandon by removal approximately 3,214 feet of the same line. Applicant states that it was prepared to replace and lower a section of pipe due to the encroachment of a residential subdivision. Applicant indicates that due to its subsequent determination to abandon the 5,006 foot section of Line 1008 because of deterioration, Applicant isolated approximately 1,792 feet of this section which was already exposed for the replacement and lowering, by appropriately cutting and capping each end. Applicant further states that it thus proposes to abandon this 1,792-foot section of Line No. 1008 in place and the remaining 3,214 feet of pipe by removal. Applicant asserts that the proposal herein will not result in a change of service, does not affect Applicant's ability to perform its obligations to provide transportation service on its system, and will not adversely affect Applicant or its customers in any way.

Any person desiring to be heard or to make any protest with reference to said application should on or before November 30, 1998, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a petition to intervene or a protest in accordance

with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding.

Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no petition to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that the abandonment is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Applicant to appear or be represented at the hearing.
