BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities; Proposed Collection; Comment Request

In compliance with the requirement for opportunity for public comment on proposed data collection projects (section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Public Law 104-13), the Health

Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Employment Sites of Nursing Graduates Supported by the Professional Nurse Traineeship Program (HRSA 98-141)—New.

Under Section 830 of Title VIII of the Public Health Service Act, Professional Nurse Traineeship (PNT) grants are awarded to eligible institutions for the support of students in advanced nursing education. Traineeships are then awarded by the institutions to individuals enrolled in graduate programs to prepare for practice as advanced practice nurses. These funds are distributed to institutions based on

a formula that incorporates three statutory funding factors. The factor to be studied is the funding preference which is given to institutions that can demonstrate either a high rate of placing graduates in medically underserved communities (MUCs), or achieving a significant increase in the rate of placing graduates in such settings.

This study is intended to assess the influence of funding preference on program performance and to determine program success in placing PNT graduates in MUCs. Approximately 5,000 graduates who received Master's or Doctoral degrees in academic years 1996-1997 and 1997-1998, including 1,200 who received PNT funds but were not graduates of the schools receiving the preference, will be included in this survey. Data will be obtained on the graduates place of residence and place of employment before, during and after their program of study. The study will examine various measures associated with the career paths chosen by these graduates and by comparing these measures within and between the two groups of graduates. Comparisons of employment sites of graduates in schools receiving the preference with those of graduates in schools not receiving the preference will indicate the significance of funding preference in promoting program objectives of increasing access to care in underserved communities. Information on both the nursing-specialty of graduates and their current employment setting will be analyzed for each of the two groups.

The estimated burden is as follows:

Form	Number of respondents	Responses per respondent	Hours per response (minutes)	Total burden hours
Survey	5000	1	20	1667

Send comments to Susan G. Queen, Ph.D., HRSA Reports Clearance Officer, Room 14-36, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: January 26, 1999.

Jane Harrison,

Director, Division of Policy Review and Coordination.

Agency Information Collection Activities; Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for

review, call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Grantee Reporting Requirements for the Rural Health Network Development Grant Program (OMB No. 0915-0218)—Revision.

This is a request for extension of the reporting requirements for the Rural Health Network Development Grant Program authorized by section 330A of the Public Health Service Act as amended by the Health Centers Consolidation Act of 1996 (Public Law 104-229). The purpose of the program is to assist in the development of vertically integrated
