OMB Control Number: 3060-0687.

Title: Access to Telecommunications Equipment and Services by Persons with Disabilities, CC Docket No. 87-124.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Businesses or other for profit entities.

Number of Respondents: 806,100.

Estimated Time Per Response: 1.2 to 11.4 hours.

Frequency of Response: On occasion reporting requirements; Third party disclosure.

Total Annual Burden: 991,000 hours.

Total Annual Costs: \$638,500.

Needs and Uses: The Commission requires that telephones with electromagnetic coil hearing aid compatibility be stamped with the letters HAC. Section 68.112(b)(3)(E) requires that employees with fifteen or more employees provide emergency telephones for use by employees with hearing disabilities and that the employers "designate" such telephones for emergency use. Section 68.224(a) requires a notice to be contained on the surface of the packaging of a non-hearing aid compatible telephone that the telephone is not hearing aid compatible. The requirements were implemented to assist the Commission in carrying out its responsibilities.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Submitted to OMB for Review and Approval.

April 5, 1999.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before May 13, 1999. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications Commissions, 445 12th Street, S.W., Room 1-A804, Washington, DC 20554 or via the Internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at (202) 418-0217 or via the Internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0674.

Title: Section 76.931, Notification of Basic Tier Availability, and Section 76.932, Notification of Proposed Rate Increase.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Businesses or other for-profit entities.

Number of Respondents: 11,365.
Estimated Time per Response: 2.25 hours.

Frequency of Response: On occasion reporting requirements; Third party disclosure.

Total Annual Burden: 25,572 hours.

Total Annual Costs: None.

Needs and Uses: Section 76.931 states that a cable operator shall provide written notification to subscribers of the availability of basic tier service by November 20, 1993, or three billing cycles from September 1, 1993, and to new subscribers at the time of installation. This notification is to include the following information: (a) that basic tier service is available; (b) the cost per month for basic tier service; and (c) a list of all services included in the basic service tier. Section 76.932 states that a cable operator shall provide written notice to subscribers of any increase in the price to be charged for the basic service tier or associated equipment at least 30 days before any proposed increase is effective. These notice requirements ensure that subscribers are made aware of the price and availability of basic cable service and ensure that subscribers are given due notice of rate increases with basic cable service.
