particular objection shall constitute a waiver of the right to a hearing on that objection. Each numbered objection for which a hearing is requested shall include a detailed description and analysis of the specific factual information intended to be presented in support of the objection in the event that a hearing is held. Failure to include such a description and analysis for any particular objection shall constitute a waiver of the right to a hearing on the objection. Three copies of all documents shall be submitted and shall be identified with the docket number found in brackets in the heading of this document. Any objections received in response to the regulation may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

VII. References

The following references have been placed on display in the Dockets Management Branch (address above) and may be seen by interested persons between 9 a.m. and 4 p.m., Monday through Friday.

1. Memorandum, dated January 13, 1999, and March 8, 1999, from the Chemistry Review Team, FDA, to the file concerning FAP 884630 (MATS No. 1011), Servo Delden BV, concerning the use of polyethylene glycol monoisotridecyl ether sulfate sodium salt as a surfactant in coatings in food-contact paper and paperboard.

3. “Bioassay of 1,4-Dioxane for Possible Carcinogenicity,” National Cancer Institute, NCI±CG±TR±80, 1978.

4. Memorandum, dated January 25, 1999, from the Indirect Additives Branch, FDA, to the Executive Secretary, Quantitative Risk Assessment Committee, FDA, concerning estimation of upper bound lifetime risk from ethylene oxide and 1,4-dioxane in polyethylene glycol monoisotridecyl ether sulfate, sodium salt (POMES): food additive petition No. 884630 (Servo Delden BV).

List of Subjects in 21 CFR Part 176

Food additives, Food packaging.

Therefore, under the Federal Food, Drug, and Cosmetic Act and under authority delegated to the Commissioner of Food and Drugs, 21 CFR part 176 is amended as follows:

PART 176—INDIRECT FOOD ADDITIVES: PAPER AND PAPERBOARD COMPONENTS

1. The authority citation for 21 CFR part 176 continues to read as follows:

2. Section 176.180 is amended in the table in paragraph (b)(2) by alphabetically adding an entry under the headings "List of Substances" and "Limitations" to read as follows:

§ 176.180 Components of paper and paperboard in contact with dry food.

BILLING CODE 4160–01–F

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

21 CFR Part 178

[Docket No. 91F–0399]

Indirect Food Additives: Adjuvants, Production Aids, and Sanitizers

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a final rule that appeared in the Federal Register of May 14, 1999 (64 FR 26281). The document amended the food additive regulations to provide for the safe use of 1,3-propanediamine, N,N′-1,2-ethenediylibis-, polymer with N-buty1-2,2,6,6-tetramethyl-4-piperidinamine and 2,4,6-trichloro-1,3,5-triazine as a light stabilizer for polypropylene and polyethylene. The document was published with an error. This document corrects that error.

SUPPLEMENTARY INFORMATION: In the Federal Register of May 14, 1999 (64 FR 26281), FDA amended the food additive regulations to provide for the safe use of 1,3-propanediamine, N,N′-1,2-ethenediylibis-, polymer with N-buty1-2,2,6,6-tetramethyl-4-piperidinamine and 2,4,6-trichloro-1,3,5-triazine as a light stabilizer for polypropylene and polyethylene complying with 21 CFR 177.1520. It has been recently called to the attention of the agency that the Chemical Abstracts Services (CAS) Registry has a slightly different nomenclature for the additive 1,3-propanediamine, N,N′-1,2-ethenediylibis-, polymer with N-buty1-2,2,6,6-tetramethyl-4-piperidinamine and 2,4,6-trichloro-1,3,5-triazine (CAS Reg. No. 136504–96–6). The preferred nomenclature for the additive is 1,3-propanediamine, N,N′-1,2-ethenediylibis-, polymer with 2,4,6-trichloro-1,3,5-triazine, reaction products with N-buty1-2,2,6,6-tetramethyl-4-piperidinamine.

Therefore, the agency is amending 21 CFR 178.2010 to correct the nomenclature of the additive.

In FR Doc. 99–12177, appearing on page 26281, in the Federal Register of Friday, May 14, 1999, the following correction is made:

§ 178.2010 [Corrected]

1. On page 26282, in the table in paragraph (b), under the heading "Substances," 1,3-propanediamine, N,N′-1,2-ethenediylibis-, polymer with N-buty1-2,2,6,6-tetramethyl-4-piperidinamine and 2,4,6-trichloro-1,3,5-triazine (CAS Reg. No. 136504–96–6)
The following specific paragraphs of § 199.3 have eligibility dates as follows:

<table>
<thead>
<tr>
<th>Paragraph</th>
<th>Eligibility Date</th>
</tr>
</thead>

I. Summary of Final Rule Provisions

This final rule adds or revises a number of eligibility provisions. Following is a brief summary of the classes of beneficiaries affected by this final rule. Generally, each class is eligible for CHAMPUS as a result of the change, and the reader should refer to the proposed rule that was published on December 23, 1997, for a detailed discussion regarding the specific conditions and requirements for each class.

CHAMPUS/Medicare dual eligibles
- Must be under age 65, eligible for Medicare due to disability or end-stage renal disease, and enrolled in Medicare Part B.
- Applies to all categories of CHAMPUS beneficiaries except dependents of active-duty members.
- Effective October 1, 1991

Dependents of a person who dies while on active duty
- Must be under age 65, eligible for Medicare due to disability or end-stage renal disease, and enrolled in Medicare Part B.
- Applies to all categories of CHAMPUS beneficiaries except dependents of active-duty members.
- Effective October 1, 1991

Victims of abuse
- By a member who was discharged or dismissed as a result of a court-martial conviction for the abuse.
- Eligibility limited to one year from member's separation.
