Approval and Promulgation of State Plans for Designated Facilities and Pollutants: Arizona

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve the Arizona State Plan for implementing the emissions guidelines applicable to existing municipal solid waste (MSW) landfills. The Plan was submitted by the Arizona Department of Environmental Quality (ADEQ) for the State of Arizona to satisfy requirements of section 111(d) of the Federal Clean Air Act. In the Final Rules section of this **Federal Register**, EPA is approving the Arizona State Plan as a direct final rule without prior proposal because the Agency views this as a noncontroversial action and anticipates that it will not receive any significant, material, and adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no significant, material, and adverse comments are received in response to this action, no further activity is contemplated in relation to this proposed rule. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be

addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this action.

DATES: Comments must be received in writing by October 20, 1999.
