

subject merchandise during the POR. Pursuant to 19 CFR 351.106(c)(2), we will instruct the Customs Service to liquidate without regard to antidumping duties any entries for which the assessment rate is *de minimis* (i.e., less than 0.50 percent). The assessment rate will be assessed uniformly on all entries of that particular importer made during the POR. The Department will issue appraisal instructions directly to the Customs Service.

Further, the following deposit requirements will be effective for all shipments of SRAMs from Taiwan entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this new shipper review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for the reviewed company will be the rate established in the final results of this review; (2) for previously investigated companies, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 41.75 percent, the all others rate established in the LTFV investigation.

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. This new shipper review and notice are in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: October 4, 1999.

Robert S. LaRussa,

Assistant Secretary for Import Administration.
