#### The Applicable Statute

#### Background

On February 26, 1999, the Department of Commerce (the Department) received a request from Verson Division of Allied Products Corporation for an administrative review of the antidumping duty order on mechanical transfer presses from Japan. On March 19, 1999, the Department initiated this administrative review covering the period of February 1, 1998 through January 31, 1999 (64 FR 14860, published March 29, 1999).

#### Extension of Time Limits for Preliminary Results

Because of the complexities enumerated in the Memorandum from Joseph A. Spetrini to Robert S. LaRussa, *Extension of Time Limit for the Administrative Review of Mechanical Transfer Presses from Japan*, dated October 19, 1999, it is not practical to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limits for the preliminary results to February 28, 2000. The final results continue to be due 120 days after the publication of the preliminary results.

Dated: October 20, 1999.
