[Notice 1]

National Fire Codes: Request for Comments on NFPA Technical Committee Reports

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice.

SUMMARY: The National Institute of Standards and Technology (NIST) is publishing this notice for the National Fire Protection Association (NFPA) as a public service. NIST does not necessarily endorse, approve, or recommend any of the standards referenced in the notice.

The NFPA revises existing standards and adopts new standards twice a year. At its November meeting or its May meeting, the NFPA acts on recommendations made by its technical committees. The purpose of this notice is to request comments on technical committee reports which will be presented at NFPA's 2000 November Meeting.

DATES: Thirty-eight reports appear in the "2000 November Meeting Report on Proposals" which becomes available on January 21, 2000. Comments received

on or before March 31, 2000, will be considered by the respective NFPA committees before final action is taken on the proposals.

ADDRESSES: The "2000 November Meeting Report on Proposals" is available from NFPA, Fulfillment Center, 11 Tracy Drive, Avon, MA 02322. Comments on the technical committee reports should be submitted by Casey C. Grant, Secretary, Standards Council, NFPA, Batterymarch Park, P.O. Box 9101, Quincy, Massachusetts 02269-9101.

FOR FURTHER INFORMATION CONTACT: Casey C. Grant, Secretary, Standards Council, NFPA, at the above address, (617) 770-3000.

SUPPLEMENTARY INFORMATION:

Background

Standards developed by NFPA technical committees have been used by various federal agencies as the basis for Federal regulations concerning fire safety. The NFPA codes and standard are known collectively as the "National Fire Codes." Often, the Office of the Federal Register approves the incorporation by reference of these standards under 5 U.S.C. 52(a) and 1 CFR Part 51.

Revisions of existing standards and adoption of new standards are reported by NFPA technical committees at the NFPA November meeting or at the May meeting each year. The NFPA invites public comments on its technical

committee reports contained in the "2000 November Report on Proposals."

Request for Comments

Interested persons may participate in these revisions by submitting written data, views, or arguments to Casey C. Grant, Secretary, Standards Council, NFPA, 1 Batterymarch Park, Quincy, Massachusetts 02269-9101.

Commenters may use the forms provided for comments in the "2000 November Meeting Report on Proposals." Each person submitting a comment should include his or her name and address, identify the notice and give reasons for any recommendations. Comments received on or before March 31, 2000 will be considered by the NFPA before final action is taken on the proposals.

Copies of all written comments received and the disposition of those comments by the NFPA committees will be published as the "2000 November Meeting Report on Comments" by September 22, 2000, prior to the November meeting. A copy of this report will be sent automatically to each commenter. Action on the reports of the NFPA technical committees (adoption or rejection) will be taken by NFPA members at the November meeting, November 11-15, 2000, in Orlando, Florida.

Authority: 15 U.S.C. 272.
