**Statement of Organization, Functions, and Delegations of Authority**

Part F of the Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services, Health Care Financing Administration (HCFA), [Federal Register, Vol. 62, No. 85, pp. 24122, 24123, and 24124, dated Friday, May 2, 1997] is amended to update the Office of Communications and Operations Support (OCOS) and the Center for Beneficiary Services (CBS) functional statements to reflect the transfer of the Agency’s beneficiary-centered communications functions from OCOS to CBS. CBS made additional changes to the organization’s functional statement to more accurately reflect the Center’s responsibilities.

The specific amendments to Part F are described below.

Section F.20.A.5. (Functions), paragraph 6, Office of Communications and Operations Support (FAL) and paragraph 10, Center for Beneficiary Services (FAQ), are amended by deleting both organizations’ functional statements in their entirety and replacing them with the following:

**6. Office of Communications and Operations Support (FAL)**

- Serves a neutral broker coordination role, including scheduling meetings and briefings for the Administrator and coordinating communications between and among central and regional offices, in order to ensure that emerging issues are identified early, all concerned components are directly and fully involved in policy development/decision-making and that all points of view are presented.
- Coordinates and monitors assigned agency initiatives which are generally tactical, short-term and cross-component in nature (e.g., legislative implementation).
- Provides operational and analytical support to the Executive Council.
- Manages speaking and meeting requests for or on behalf of the

About their health and about program benefits administered by the Agency. These activities include strategic and implementation planning, execution, assessment and communications.
- Assesses beneficiary and other consumer needs, develops and oversees activities targeted to meet these needs, and documents and disseminates results of these activities. These activities focus on agency beneficiary service goals and objectives and include: development of baseline and ongoing monitoring information concerning populations affected by agency programs; development of performance measures and assessment programs; design and implementation of beneficiary services initiatives; development of communications channels and feedback mechanisms within the Agency and between the Agency and its beneficiaries and their representatives; and close collaboration with other Federal and state agencies and other stakeholders with a shared interest in better serving our beneficiaries.
- Develops national policy for all Medicare Parts A, B, and C beneficiary eligibility, enrollment, entitlement; premium billing and collection; coordination of benefits; rights and protections; dispute resolution process; as well as policy for managed care enrollment and disenrollment to assure the effective administration of the Medicare program, including the development of related legislative proposals.
- Oversees the development of privacy and confidentiality policies pertaining to the collection, use, and release to individually identifiable data.
- Coordinates beneficiary-centered information, education, and service initiatives.
- Develops and tests new and innovative methods to improve beneficiary aspects of health care delivery systems through Title XVIII, XIX, and XXI demonstrations and other creative approaches to meeting the needs of agency beneficiaries.
- Assures, in coordination with other centers and offices, the activities of Medicare contractors, including managed care plans, agents, and state agencies meet the Agency’s requirements on matters concerning beneficiaries and other consumers.
- Plans and administers the contracts and grants related to beneficiary and customer service, including the State Health Insurance Assistance Program grants.
- Formulates strategies to advance overall beneficiary communications goals and coordinates the design and publication process for all beneficiary-centered information, education, and service initiatives.
- Builds a range of partnerships with other national organizations for effective consumer outreach, awareness, and education efforts in support of Agency programs.
- Serves as the HCFA lead for Medicare carrier and fiscal intermediary management, oversight, budget, and performance issues.
- Functions as HCFA liaison for all Medicare carrier and fiscal intermediary program issues and, in close collaboration with the regional offices and other HCFA components, coordinates the agency-wide contractor activities.
- Manages contractor instructions, workload, and change management process.
- Collaborates with other HCFA components to establish ongoing performance expectations for Medicare contractors (carriers and fiscal intermediaries) consistent with the agency’s goals; interpret, evaluate, and provide information on Medicare contractors in terms of ongoing compliance with performance requirements and expectations; evaluate compliance with issued instructions; evaluate contractor-specific performance and/or integrity issues; and evaluate/monitor corrective action, if necessary.
- Manages, monitors, and provides oversight of contractor (carriers and fiscal intermediaries) transition activities including replacement of departing contractors and the resulting transfer of workload, functional realignments, and geographic workload carveouts.
- Maintains and provides accurate contractor specific information. Develops and implements long-term fee-for-service contractor strategy, tactical plans, and other planning documents.
- Serves as lead on current/proposed legislation in order to determine impact on contractor operations.
