Establishment of a Class A Television Service**AGENCY:** Federal Communications Commission.**ACTION:** Proposed rule.

SUMMARY: This document proposes regulations to establish a Class A television license for qualifying low power television stations in accordance with the Community Broadcasters Protection Act of 1999. The measure of primary Class A regulatory status afforded in the Act will provide stability and a brighter future to many low power television stations that provide valuable local programming services in their communities, but without constraining the implementation of the digital television service.
