

115, the Commission reconsidered the previous CPNI Order, addressed petitions for forbearance from the requirements, and established rules to implement section 222 of the Telecommunications Act of 1996.

Among other things, carriers are permitted to use CPNI, without customer approval, under certain conditions. Carriers must obtain express customer approval to use CPNI to market service outside the customer's existing service relationship. Carrier must provide a one-time notification of customer's CPNI rights prior to any solicitation for approval.

All of the collections, adopted and proposed, would be used to ensure that telecommunications carriers comply with the CPNI requirements the Commission promulgates in this Order to implement section 222 of the statute.
