In addition, FDA has concluded that adding new methods of notification presents complications in ensuring that notification is received by sponsors. Accordingly, FDA is withdrawing its proposed rule to permit new drug and abbreviated new drug applicants to provide notice of certification of invalidity or noninfringement of a patent to patent owners and NDA holders by overnight delivery service, facsimile, and electronic mail, in addition to USPS registered or certified mail, return receipt requested, or another method approved in advance by the agency.

RIN 1018-AF98

Endangered and Threatened Wildlife and Plants; Proposed Determination of Critical Habitat for the Alameda Whipsnake (*Masticophis lateralis euryxanthus*)

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), propose to designate critical habitat pursuant to the Endangered Species Act of 1973, as amended (Act), for the Alameda whipsnake (*Masticophis lateralis euryxanthus*). A total of approximately 164,663 hectares (406,708 acres) of land fall within the boundaries of the proposed critical habitat designation. Proposed critical habitat is located in Contra Costa, Alameda, San Joaquin, and Santa Clara counties, California. If this proposal is made final, section 7 of the Act, which prohibits destruction or adverse modification of critical habitat by any activity funded, authorized, or carried out by any Federal agency, would apply to the designated critical habitat for the Alameda whipsnake. Section 4 of the Act requires us to consider economic and other impacts of specifying any particular area as critical habitat.

We solicit data and comments from the public on all aspects of this proposal, including data on economic and other impacts of the designation and our approaches for handling habitat conservation plans (HCPs). We may revise this proposal to incorporate or address new information received during the comment period.

DATES: Comments from all interested parties must be received by May 8, 2000. Public hearing requests must be received by April 24, 2000.
