

Thus, for non-reviewed companies, the cash deposit will be the rate calculated in these 1993 reviews of 7.34 percent *ad valorem*, except from Timminco Limited (which was excluded from the order in the original investigation) (62 FR 4807, 48610, September 16, 1997).

Determination

In the final results of the sunset review, we intended to follow our practice to apply to companies not reviewed during the 1994 reviews the cash deposit rate established in the most recently completed administrative review, *i.e.* the 1993 review. *Id.* The Department made it clear in the final results of the second administrative reviews (the 1993 reviews) that the "all others" rate for all future entries would be 7.34 percent *ad valorem*. *Id.* Accordingly, we are correcting this inadvertent error. Therefore, the correct "all others" rate is 7.34 percent.

This correction is issued and published in accordance with sections 751(h) and 777(i) of the Act.

Dated: August 15, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.
