

Total Annual Burden: 240 hours.

Total Annual Cost: N/A.

Needs and Uses: The Commission resets a waiver of section 22.925 of the Commission's rules in order to permit AirCell and a number of cellular licensees who, jointly entered into resale agreements with AirCell, to furnish system capacity for the provision of cellular service on a secondary, conditional basis to airborne terminal units using AirCell-developed technology for a period of two years. The waiver will allow airborne use of cellular telephones.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission, Comments Requested

November 3, 2000.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before January 12, 2001. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should

advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications Commission, 445 12th Street, SW, Room 1-A804, Washington, DC 20554 or via the Internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at (202) 418-0217 or via the Internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION: *OMB Approval No.:* 3060-0489.

Title: Section 73.37 — Applications for broadcast facilities, showing required.

Form No.: None.

Type of Review: Extension of currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents: 315.

Estimated Hours Per Response: 6-16 hours (These hours include the contracting hour cost to the respondents and the respondents hour burden).

Frequency of Response: On occasion.

Cost to Respondents: \$686,250.

Estimated Total Annual Burden: 315 hours.

Needs and Uses: Section 73.37(d) requires an applicant for a new AM broadcast station, or for a major change in an authorized AM broadcast station, to make a satisfactory showing that objectionable interference will not result to an authorized AM station as a condition for its acceptance if new or modified nighttime operation by a Class B station is proposed.

Section 73.37(f) requires applicants seeking facilities modification that would result in spacings that fail to meet any of the separation requirements to include a showing that an adjustment has been made to the radiated signal which effectively results in a site-to-site radiation that is equivalent to the radiation of a station with standard Model I facilities.

The data is used by FCC staff to ensure that objectionable interference will not be caused to other authorized AM stations.
