DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 1

RIN 2900-AJ49

Outer Burial Receptacles

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: By statute the Department of Veterans Affairs (VA) is authorized to provide a monetary allowance for each new burial in a VA national cemetery where a privately-purchased outer burial receptacle is used in lieu of a government-furnished graveliner. This document establishes a mechanism for implementing these provisions.

DATES: *Effective Date:* This final rule is effective December 8, 2000.

Applicability Date: The provisions of Public Law 104-275 were enacted on October 9, 1996, and the provisions of this regulation shall be retroactive to this date.

FOR FURTHER INFORMATION CONTACT: Deanna Wilson, Program Analyst, Communications Management Service (402B1), National Cemetery Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420. Telephone: 202-273-5154 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: In a document published in the **Federal Register** on April 18, 2000 (65 FR 20787), we proposed to establish a mechanism for providing a monetary allowance for each new burial in a VA national cemetery where a privately-purchased outer burial receptacle is used in lieu of a government-furnished graveliner.

We provided a 60-day comment period that ended June 19, 2000. We received 20 comments. All were in favor of the proposed rule.

Based on the rationale set forth in the proposed rule and this document, we are adopting the provisions of the proposed rule as a final rule without change.

Regulatory Flexibility Act

The Secretary certifies that this rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. The rule will not affect the sale of outer burial receptacles. Further, the basic provisions of the rule reflect statutory requirements. Accordingly, pursuant to 5 U.S.C. 605(b), the rule is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

Catalog of Federal Domestic Assistance Number for programs affected by this regulation is 64.201.

For the reasons set out in the preamble, 38 CFR part 1 is amended as follows:

PART 1—GENERAL PROVISIONS

1. The authority citation for part 1 continues to read as follows:

Authority: 38 U.S.C. 501(a), unless otherwise noted.

2. Section 1.629 is added to read as follows:

§ 1.629 Monetary allowance in lieu of a Government-furnished outer burial receptacle.

(a) *Definitions—Outer burial receptacle.* For purposes of this section, an outer burial receptacle means a graveliner, burial vault, or other similar type of container for a casket.

(b) *Purpose.* This section provides for payment of a monetary allowance for an outer burial receptacle for any interment in a VA national cemetery where a privately-purchased outer burial receptacle has been used in lieu of a Government-furnished graveliner.

(c) *Second interments.* In burials where a casket already exists in a grave with or without a graveliner, placement of a second casket in an outer burial receptacle will not be permitted in the same grave unless the national cemetery director determines that the already interred casket will not be damaged.

(d) *Payment of monetary allowance.* VA will pay a monetary allowance for each burial in a VA national cemetery where a privately-purchased outer burial receptacle was used on and after October 9, 1996. For burials on and after January 1, 2000, the person identified in records contained in the National Cemetery Administration Burial Operations Support System as the person who privately purchased the outer burial receptacle will be paid the monetary allowance. For burials during the period October 9, 1996 through December 31, 1999, the allowance will be paid to the person identified as the next of kin in records contained in the National Cemetery Administration Burial Operations Support System based on the presumption that such person privately purchased the outer burial receptacle (however, if a person who is

not listed as the next of kin provides evidence that he or she privately purchased the outer burial receptacle, the allowance will be paid instead to that person). No application is required to receive payment of a monetary allowance.

(e) *Amount of the allowance.* (1) For calendar year 2000 and each calendar year thereafter, the allowance will be the average cost, as determined by VA, of Government-furnished graveliners, less the administrative costs incurred by VA in processing and paying the allowance.

(i) The average cost of Government-furnished graveliners will be based upon the actual average cost to the Government of such graveliners during the most recent fiscal year ending prior to the start of the calendar year for which the amount of the allowance will be used. This average cost will be determined by taking VA's total cost during that fiscal year for single-depth graveliners which were procured for placement at the time of interment and dividing it by the total number of such graveliners procured by VA during that fiscal year. The calculation shall exclude both graveliners procured and pre-placed in gravesites as part of cemetery gravesite development projects and all double-depth graveliners.

(ii) The administrative costs incurred by VA will consist of those costs that relate to processing and paying an allowance, as determined by VA, for the calendar year ending prior to the start of the calendar year for which the amount of the allowance will be used.

(2) For calendar year 2000 and each calendar year thereafter, the amount of the allowance for each calendar year will be published in the "Notices" section of the **Federal Register**. The **Federal Register** Notice will also provide, as information, the determined average cost of Government-furnished graveliners and the determined amount of the administrative costs to be deducted.

(3) The published allowance amount for interments which occur during calendar year 2000 will also be used for payment of any allowances for interments which occurred during the period from October 9, 1996 through December 31, 1999.

(Authority: 38 U.S.C. 2306(d)).

Approval and Promulgation of Implementation Plans: Revision to the Alabama Department of Environmental Management (ADEM) Administrative Code for the Air Pollution Control Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: The EPA is approving revisions to the Alabama Department of Environmental Management's (ADEM) Administrative Code submitted on August 10, 2000, by the State of Alabama. The revisions comply with the regulations set forth in the Clean Air Act (CAA). Included in this document are revisions to clarify the definition of "New Source," delete outdated rule 335-3-4-.08(4), revise rule 335-3-14-.05(2)(i) to be consistent with the Federal requirements for the Review of New Sources and Modifications, and change the numbering system to comply with the Alabama Administrative Procedures Act.

DATES: This direct final rule is effective February 6, 2001, without further notice, unless EPA receives adverse comment by January 8, 2001. If adverse comment is received, EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** and inform the public that the rule will not take effect.

SUPPLEMENTARY INFORMATION:

I. Analysis of State's Submittal

On August 10, 2000, the State of Alabama through ADEM submitted revisions to chapters 335-3-1, 2, 3, 4, 5, 6, 9, 12, 14, 15, and 16. In chapter 335-3-1 the definition of "New Source" is being clarified to indicate that it is not applicable to the definitions of new source in chapters 335-3-10 Standards of Performance for New Stationary Sources and chapter 11 National Emission Standard for Hazardous Air Pollutants, which are not part of the federally enforceable state implementation plan (SIP).

ADEM combined rule 335-3-5-.03(5) and 335-3-5-.03(6) to be consistent with Alabama Administrative Procedures Act, and revised rule 335-3-14-.05(2)(i) to be consistent with 40 CFR 51, subpart I. ADEM deleted rule 335-3-4-.08(4) pertaining to emissions from wood waste boilers at pulp mills in Autauga County. International Paper (formally Union Camp) operates the only pulp mill in Autauga County which has been upgraded and no longer requires a bubble. The Union Camp boilers are subject to other emission limits in the federally approved SIP.

ADEM revised the numbering system in chapters 335-3-1, 2, 3, 4, 5, 6, 9, 12, 14, 15, and 16 to comply with numbering system required by the Legislative Reference Service under Alabama Administrative Procedures Act.

II. Final Action

EPA is approving the aforementioned change to the State of Alabama's SIP because they are consistent with the CAA and EPA policy. The EPA is publishing this rule without a prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. However, in the proposed rules section of this **Federal Register** publication, EPA is publishing a separate document that will serve as the proposal to approve the SIP revision if adverse comments are filed. This rule will be effective February 6, 2001, without further notice unless the Agency receives adverse comments by January 8, 2001.

If the EPA receives such comments, then EPA will publish a document
