

DEPARTMENT OF EDUCATION**[CFDA NO. 84.334]****Office of Postsecondary Education;
Notice Inviting Applications for New
Awards for Fiscal Year 2001—Gaining
Early Awareness and Readiness for
Undergraduate Programs—GEAR UP**

Purpose of Program: The purpose of this program is to increase the number of low-income students who are prepared to enter and succeed in college. Through improved academic preparation and early awareness activities, eligible students are provided comprehensive mentoring, counseling, outreach and supportive services, including information to students and their parents about the benefits of postsecondary education and the availability of Federal financial assistance to attend college. Through the scholarship component, which is mandatory for State grants and recommended for Partnership grants, eligible students may receive scholarships for higher education.

Eligible Applicants: 1. For Partnership grants, eligible applicants include at least—

- One institution of higher education. This may be any degree-granting two-year or four-year college or university;

- One local educational agency (school district) on behalf of one or more schools with a 7th grade and the high school(s) that the students at these middle schools would normally attend. Generally, at least 50 percent of the students attending the participating school with a 7th grade must be eligible for free or reduced-price lunches.

However, as an alternative, Partnerships may choose to work with one or more grade levels of students, beginning not later than the 7th grade, who reside in public housing; and

- Two additional organizations, such as businesses, professional associations, community-based organizations, State Agencies, elementary schools, philanthropic organizations, religious groups, and other public or private organizations.

2. For State grants, eligible applicants are State Agencies as designated by the State's Governor, one per State.

Applications Available: January 19, 2001.

Deadline for Transmittal of Applications: March 30, 2001.

Deadline for Intergovernmental Review: May 29, 2001.

Available Funds: Approximately \$35,500,000 for Partnership grants and \$23,000,000 for State grants. Federal funds shall provide not more than 50 percent of the total cost of any project

funded by a grant under this program, except as provided for under 34 CFR 694.7. The non-Federal share of project costs may be in-cash or in-kind, fairly valued, including services, supplies or equipment.

Estimated Average Awards: No minimum, maximum or average award has been established for Partnership grants. The size of each Partnership grant will depend on the number of students served. However, there is a maximum annual Federal contribution of \$800 per student for Partnership grants.

State grants have a \$2.5 million maximum and no minimum award.

Estimated Number of Awards: Approximately 9–12 State grant awards and approximately 75–90 Partnership grant awards, depending on the size and configuration of each Partnership.

Note: The Department is not bound by any estimates in this notice.

Priorities*Competitive Priorities***Competitive Preference Priority 1**

Under 34 CFR 75.105(c)(2)(i) and 34 CFR 694.15(b), the Secretary will give preference to Partnership projects that establish or maintain financial assistance programs that award scholarships to participating students, either in accordance with section 404E of the Higher Education Act of 1965, or in accordance with GEAR UP regulations 34 CFR 694.11. The Secretary will award up to five (5) points in addition to any points the applicant earns under the selection criteria, to applicants who meet this priority, depending on how well the application meets the priority.

Competitive Preference Priority 2

Under 34 CFR 75.105(c)(2)(ii) and 34 CFR 694.15(a), the Secretary gives competitive preference to an application for a Partnership or State grant that serves a substantial number or percentage of students who reside in or attend school in an Empowerment Zone, Supplemental Empowerment Zone, or Enterprise Community, under 34 CFR 75.105(2)(ii) and 34 CFR 694.15(a). This preference means that an applicant meeting this criterion would be placed above another application of comparable merit, and the preference will be used in the selection process as a tie-breaker.

Purpose of Program: To provide grants for vocational rehabilitation services to individuals with disabilities who are migrant or seasonal farmworkers, as determined in accordance with rules prescribed by the Secretary of Labor, and to the family members who are residing with those

individuals (whether or not those family members are individuals with disabilities).

Eligible Applicants: A State designated agency; nonprofit agencies working in collaboration with a State agency; and a local agency working in collaboration with a State agency.

Applications Available: January 30, 2001.

Deadline for Transmittal of Applications: March 30, 2001.

Deadline for Intergovernmental Review: May 30, 2001.

Estimated Available Funds: \$528,000.

Estimated Range of Awards: \$150,000–\$170,000.

Estimated Average Size of Awards: \$165,000.

Estimated Number of Awards: 3.

Note: The Department is not bound by any estimates in this notice.

Reasonable Accommodations: We will consider, and may fund, requests for additional funding as an addendum to an application to reflect the costs of reasonable accommodations necessary to allow individuals with disabilities to be employed on the project as personnel on project activities.

Project Period: Up to 60 months.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 85, and 86.

Note: The regulations in 34 CFR part 79 apply to applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

Priority: This competition focuses on projects designed to meet the priority in the notice of final competitive preference for this program, published in the **Federal Register** on November 22, 2000 (65 FR 70408). Under 34 CFR 75.105 (c)(2)(i) the Assistant Secretary adds a competitive preference to applications that are otherwise eligible for funding under this program.

The maximum score under the selection criteria for this program is 100 points; however, we will also use the following competitive preference so that up to an additional 10 points may be earned by an applicant for a total possible score of 110 points.

Up to 10 points may be earned based on the extent to which an application includes effective strategies for employing and advancing in employment qualified individuals with disabilities as project employees in projects awarded under this program. In determining the effectiveness of those strategies, we will consider the

applicant's prior success, as described in the application, in employing and advancing in employment qualified individuals with disabilities.

Therefore, within this competitive preference, applicants can be awarded up to a total of 10 points in addition to those awarded under the published selection criteria for this program (The selection criteria to be used for this competition will be provided in the application package for this competition). That is, an applicant meeting this competitive preference could earn a maximum total of 110 points.

Application Procedures:

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.
