FEDERAL TRADE COMMISSION

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension

AGENCY: Federal Trade Commission ("FTC" or "Commission").

ACTION: Notice.

SUMMARY: The information collection requirements described below will be submitted to the Office of Management and Budget ("OMB") for review, as required by the Paperwork Reduction Act ("PRA"). The FTC is seeking public comments on its proposal to extend through September 30, 2004 the current PRA clearance for information collection requirements contained in (1) the Rule Concerning Disclosure of Written Consumer Product Warranty Terms and Conditions; (2) the Rule Governing Pre-Sale Availability of Written Warranty Terms; and (3) the Informal Dispute Settlement Procedures Rule. These clearances expire on September 30, 2001 (collectively, "Warranty Rules").

DATES: Comments must be submitted on or before July 30, 2001.

ADDRESSES: Send written comments to Secretary, Federal Trade Commission, Room H-159, 600 Pennsylvania Ave., NW., Washington, DC 20580. All comments should be captioned "Warranty Rules: Paperwork comment."

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the proposed information requirements should be addressed to Carole Danielson, Investigator, Division of Marketing Practices, Bureau of Consumer Protection, Federal Trade Commission, Room H-238, 600 Pennsylvania Ave., NW., Washington, DC 20580, (202) 326-3115.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor. "Collection of information" means agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. 44 U.S.C. 3502(3), 5 CFR 1320.3(c). As required by section 3506(c)(2)(A) of the PRA, the FTC is providing this opportunity for public comment before requesting that

OMB extend the existing paperwork clearance for Rules 701, 702, and 703 (OMB Control Numbers 3084-0111, 3084-0112, and 3084-0113, respectively).

The FTC invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

The Warranty Rules implement the Magnuson-Moss Warranty Act, 15 U.S.C. 2301 *et seq.* ("the Act"), which governs written warranties on consumer products. The Act directed the FTC to promulgate rules regarding the disclosure of written warranty terms and conditions, rules requiring that the terms of any written warranty on a consumer product be made available to the prospective purchaser before the sale of the product, and rules establishing minimum standards for informal dispute settlement mechanisms that are incorporated into a written warranty. Pursuant to the Act, the Commission published the instant three rules.¹

Consumer Product Warranty Rule ("Warranty Rule")

The Warranty Rule specifies the information that must appear in a written warranty on a consumer product. It sets forth what warrantors must disclose about the terms and conditions of the written warranties they offer on consumer products that cost the consumer more than \$15.00. The Rule tracts the disclosure requirements suggested in section 102(a) of the Act,² specifying information that must appear in the written warranty and, for certain disclosures, mandates the exact language that must be used. The Warranty Rule requires that the information be conspicuously disclosed in a single document in simple, easily understood language. In promulgating this rule, the Commission determined
