#### Program Information

##### Overview

The Bureau of Educational and Cultural Affairs (the Bureau) invites applicants to submit proposals for a project to create and foster long-term relationships between selected American media outlets and Ukrainian media outlets of similar size and between the individual professionals that work at both outlets. Within the framework of these partnerships, Ukrainian professionals in print and broadcast media will have the opportunity to interact with US counterparts and to take part in practical training experiences organized by their US partner. This project seeks to promote the development of free and independent Ukrainian media outlets on the assumption that independent media is critical for the further democratic development of Ukraine.

The Bureau would like to see five partnerships developed under this program. Each Ukrainian media outlet should be matched with an appropriate U.S. media outlet for partnership activities. Proposals should demonstrate geographic diversity by including media outlets from throughout Ukraine. While partnerships should primarily include media outlets in regional capitals or larger regional cities, a Kiev media outlet may be included in one of the proposed partnerships. Applicants should propose at least three partnerships in their submission, but are encouraged to propose all five. When only three or four partnerships are proposed by the applicant, the Public Affairs Section in at the American Embassy in Kiev (PAS) will identify the remaining Ukrainian media outlets who will then be partnered with American media outlets already selected by the applicant. Applicants should explain how proposed matches support the program's objectives and why they expect that the partnerships they are proposing will be sustained beyond the life of the grant. The grantee should work closely with the Bureau and PAS throughout the grant period; specific partnerships will be approved by the Bureau and PAS.

Applicants should explain how partnerships will be structured and what activities they will include. The
