FOR FURTHER INFORMATION CONTACT: 
Antonio A. Lamberte, Economist, Gulf of Mexico Fishery Management Council, 813–228–2815. 
Council address: Gulf of Mexico Fishery Management Council, 3018 U.S. Highway 301 North, Suite 1000, Tampa, FL 33619.

SUPPLEMENTARY INFORMATION: A stakeholders workshop on bioeconomic modeling will be convened to address the economic impacts of regulations proposed for red grouper under Secretarial Amendment 1 to the Reef Fish Fishery Management Plan. A bioeconomic modeling group composed of some members of the Socioeconomic Panel (SEP), a member of the Reef Fish Stock Assessment Panel, and NMFS economists will lead the workshop. The modeling group will be assisted by NMFS stock assessment experts on the biological portion of the model. Dr. Walter Keithly, a SEP member, will act as the moderator for the workshop.

The main goal of the workshop is to adapt a bioeconomic model developed by Dr. Lee Anderson to the red grouper fishery in the Gulf. The public is strongly encouraged to attend and assist the modeling group in assessing the reasonableness of various parameters that would be used in the bioeconomic model. It should be understood by the attending public that while their active participation in the discussion is encouraged, the workshop is not a public hearing on the red grouper Secretarial amendment. A copy of the agenda can be obtained by calling 813–228–2815.

Upon successful adaptation of Dr. Anderson’s bioeconomic model to the Gulf red grouper fishery, the SEP will employ the model to address the economic implications of various measures proposed for the red grouper Secretarial amendment. The SEP will meet on June 12-14, 2002, to evaluate the results of the model and prepare a report for review by the Reef Fish Advisory Panel and the Standing Scientific and Statistical Committee. The SEP report and its various reviews will be presented to the Council at their July 8-12, 2002, meeting when they will make final decisions on the red grouper Secretarial amendment.

Although other non-emergency issues not on the agendas may come before the workgroup for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during these meetings. Action by the workgroup will be restricted to those issues specifically identified in the agendas and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council’s intent to take action to address the emergency.

Special Accommodations

The meeting is open to the public and is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office by May 15, 2002.

Dated: May 2, 2002.
Virginia M. Fay, Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Stock Assessment of Small Coastal Sharks in the U.S. Atlantic and Gulf of Mexico

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability.

SUMMARY: NMFS announces the availability of a stock assessment report on small coastal sharks (SCS) in the Atlantic and Gulf of Mexico, prepared by the NMFS Southeast Fisheries Science Center.

ADDRESSES: Written requests for copies of the report should be sent to Margo Schulze-Haugen, Highly Migratory Species Management Division (F/SF1), National Marine Fisheries Service (NMFS), 1315 East-West Highway, Silver Spring, MD 20910, or may be sent via facsimile (fax) to 301–713–1917.

FOR FURTHER INFORMATION CONTACT: Margo Schulze-Haugen or Karyl Brewster-Geisz, (301) 713–2347; fax (301) 713–1917.

SUPPLEMENTARY INFORMATION: Several species of SCS are caught in directed fisheries and as bycatch in the southeastern region of the United States. This management group presently includes the Atlantic sharpnose, bonnethead, blacknose, and finetooth sharks. The previous stock assessment of the SCS complex was conducted over a decade ago and the ensuing management plan classified this group as being fully utilized. A substantial amount of information has become available since then, including biological data, improved fisheries statistics, and bycatch estimates from the shrimp trawl fishery. Several new fishery-independent and fishery-dependent catch rate series have become available and previously developed time series have been extended. The report uses this information to assess the status of SCS stocks in the southeastern U.S. region.

The final version of the report is now available on the NMFS website (http://www.nmfs.noaa.gov/sfa/hmspg.html). Hard copies of the document are available upon request (see ADDRESSES).

Authority: 16 U.S.C. 971 et seq. and 1801 et seq.

Dated: May 2, 2002.

Virginia M. Fay, Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

CONSUMER PRODUCT SAFETY COMMISSION

[CPSC Docket No. 02–2]

In the Matter of DAISY MANUFACTURING COMPANY, Inc; d/b/a Daisy Outdoor Products, 400 West Stribling Drive, Rogers, AR 72756; Prehearing Conference

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of first prehearing conference.

DATES: This notice announces a prehearing conference to be held in the matter of Daisy Manufacturing Company, Inc. on May 15, 2002 at 10 a.m.

ADDRESSES: The prehearing conference will be in hearing room 420 of the East-West Towers Building, 4330 East-West Highway, Bethesda, Maryland 20814.

FOR FURTHER INFORMATION CONTACT: Todd A. Stevenson, Secretary, U.S. Consumer Product Safety Commission, Washington, DC; telephone (301) 504–0808; telefax (301) 504–0127.

SUPPLEMENTARY INFORMATION: This public notice is issued pursuant to 16 CFR 1025.21(b) of the U.S. Consumer Product Safety Commission’s Rules of Practice for Adjudicative Proceedings to inform the public that a prehearing conference will be held in an administrative proceeding under section 15 of the Consumer Product Safety Act (“CPSA”), 15 U.S.C. 2064 and section 15 of the Federal Hazardous Substances...
Act ("FHSA"), 15 U.S.C. 1274, captioned CPSC Docket No. 02–2, In the Matter of DAISY MANUFACTURING COMPANY, Inc. doing business as Daisy Outdoor Products. The Presiding Officer in the proceeding is United States Administrative Law Judge William B. Moran. The Presiding Officer has determined that, for good and sufficient cause, the time period for holding this first prehearing conference had to be extended to the date announced above, which date is beyond the fifty (50) day period referenced in 16 CFR 1025.21(a).

The public is referred to the Code of Regulations citation listed above for identification of the issues to be raised at the conference and is advised that the date, time and place of the hearing also will be established at the conference.

Substantively, the issues being litigated in this proceeding are described by the Presiding Officer to include: Whether certain identified models of the Daisy Powerline Airgun, designed to shoot BBs or pellets, contain defects which create a substantial product hazard defect in that, allegedly, BBs can become lodged with a "virtual magazine," or fail to feed into the firing chamber, with the consequence that one may fire or shake the gun without receiving any visual or audible indication that it is still loaded.

Consequently, the complaint asserts that these alleged problems can lead consumers to erroneously believe that the gun is empty and that such phenomena mean that the gun is "defective" within the meaning of Section 15 of the CPSA, 15 U.S.C. 2064 and Section 15 of the FHSA, 15 U.S.C. 1274. The Complaint further alleges that the gun’s design, by making it difficult to determine when looking into the loading port whether a BB is present, constitutes a "defect" under the CPSA and the FHSA and presents a "substantial product hazard," creating a substantial risk of injury to consumers, within the meaning of Section 15(a)(2), of the CPSA, 15 U.S.C. 2064(a)(2), and presents a substantial risk of injury to children under Sections 15(c)(1) and (c)(2) of the FHSA, 15 U.S.C. 1274(c)(1) and (c)(2). The public should be mindful that these are allegations only and the CPSC bears the burden of proof in establishing any violations. Should these allegations be proven, Complaint Counsel for the Office of Compliance of the U.S. Consumer Product Safety Commission seeks a finding that these products present a substantial product hazard and present a substantial risk of injury to children and that public notification of such hazard and risk of injury be made pursuant to Section 15(c) of the CPSA and that other appropriate relief be directed, as set forth in the Complaint.

Dated: May 2, 2002.

Todd A. Stevenson,
Secretary.

BILLING CODE 6355–01–M

CONSUMER PRODUCT SAFETY COMMISSION

[CPSC Docket No. 02–C0005]

Golden Gift, L.L.C., a Limited Liability Corporation Provisional Acceptance of a Settlement Agreement and Order

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: It is the policy of the Commission to publish settlements which it provisionally accepts under the Federal Hazardous Substances Act in the Federal Register in accordance with the terms of 16 CFR 1118.20. Published below is a provisionally-accepted Settlement Agreement with Golden Gift, L.L.C., a limited liability corporation, containing a civil penalty of $125,000.

DATES: Any interested person may ask the Commission not to accept his agreement or otherwise comment on its contents by filing a written request with the Office of the Secretary by May 23, 2002.

ADDRESSES: Persons wishing to comment on this Settlement Agreement should send written comments to the Comment 02–C0005 Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207.

SUPPLEMENTARY INFORMATION: The text of the Agreement and Order appears below:

Dated: May 2, 2002.

Todd A. Stevenson,
Secretary.

In the Matter of Golden Gift, L.L.C., a Limited Liability Corporation; Settlement Agreement and Order

1. Golden Gift, L.L.C. (hereinafter, “Golden Gift” or “Respondent”), a limited liability corporation, enters into this Settlement Agreement and Order (hereinafter, “Settlement Agreement”) or “Agreement”) with the staff of the Consumer Product Safety Commission, and agrees to the entry to the attached Order incorporated by reference herein. The purpose of the Settlement Agreement is to settle the staff’s allegations that Golden Gift knowingly violated sections 4a) and (c) of the Federal Hazardous Substances Act (FHSA), 15 U.S.C. 1263(a) and (c).

I. The Parties

3. Golden Gift is a limited liability corporation organized and existing under the laws of the State of California. Golden Gift’s address is 2944 East 44th Street, Vernon, CA 90058. Golden Gift is an importer and wholesaler of toys.

II. Allegations of the Staff

A. Toys Intended for Children Under Three Years Old

4. On eight occasions between June 15, 1999, and September 6, 2000, Golden Gift introduced or caused the introduction into interstate commerce; and received in interstate commerce and delivered or proffered delivery thereof for pay or otherwise, eight (8) kinds of toys (92,960 retail units) intended for use by children under three years old. These toys are identified and described as follows:
