**AGENCY:** Office of the Assistant  
Secretary for Housing—Federal Housing  
Commissioner, HUD.

**ACTION:** Notice of Selection of  
Manufactured Housing Consensus  
Committee Members.

**SUMMARY:** This notice announces the  
voting members who have been  
appointed to the Consensus Committee  
for manufactured housing under the  
Manufactured Housing Improvement  
Act of 2000. The twenty-one voting  
members are comprised of seven

general interest and public officials.

**SUPPLEMENTARY INFORMATION:** In  
accordance with the National  
Manufactured Housing Construction  
and Safety Standards Act of 1974 (42  
U.S.C. 5401 *et seq.*) (the Act), the  
Department initiated a program that, in  
part, provides for establishment of  
standards by which all manufactured  
homes are constructed. The Act  
provides that these construction and  
safety standards preempt all standards  
of a State or political subdivision  
applicable to the same aspect of  
performance of a manufactured home  
that are not identical to the Federal  
manufactured home construction and  
safety standards.

The Manufactured Housing  
Improvement Act of 2000 (Title VI of  
Public Law 106-569, approved  
December 27, 2000) (the 2000 Act)

amended the Act in several areas. The  
2000 Act specifically provides for the  
establishment of a Consensus  
Committee for manufactured housing. In  
accordance with the 2000 Act, the  
Department acquired the services of an  
Administering Organization (AO), in  
part to undertake the process of seeking  
qualified candidates and recommending  
to HUD the initial members for the  
Consensus Committee. The AO selected  
candidates to recommend as the initial  
members based on procedures for  
consensus committees promulgated by  
the American National Standards  
Institute (ANSI). As required by the  
2000 Act, the selections were designed  
to ensure equal representation among  
the prescribed interest categories:  
producers, users, and general interest  
and public officials.

Twenty-one individuals have been  
selected by HUD to serve as voting  
members on the committee. Those  
persons selected are listed below, with  
the localities and States from which  
they come, in the major interest category  
they represent. In order to remain  
eligible for service, each member must  
continue to qualify as a representative of  
the category for which he or she has  
been selected.
