Indian Health Service Loan Repayment Program

AGENCY: Indian Health Service, HHS.

ACTION: Request for public comment: 60-day Proposed Information Collection: Indian Health Service Loan Repayment Program.

SUMMARY: The Department of Health and Human Services, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Indian Health Service (IHS) is providing a 60-day advance opportunity for public comment on a proposed extension of current information collection activity to be submitted to the Office of Management and Budget for review.

Proposed Collection

Title: 0917-0014, "Indian Health Service Loan Repayment Program."

Type of Information Collection Request: Extension, without revision, of currently approved information collection.

Form Number: None. **Forms:** The IHS Loan Repayment Program Information Booklet contains the instructions and the application formats. **Need and Uses of Information Collection:** The IHS Loan Repayment Program identifies health professionals with pre-existing financial obligations for education expenses that meet program criteria and who are qualified and willing to serve at, often remote, IHS health care facilities. Under the program, eligible health professionals sign a contract under which the IHS agrees to repay part or all of their indebtedness for professional

training education. In exchange, the health professionals agree to serve for a specified period of time in IHS health care facilities. Eligible health professionals that wish to apply must submit an application to participate in the program. The application requests personal, demographic and educational training information, including information on the educational loans of

the individual for which repayment is being requested (*i.e.*, date, amount, account number, purpose of each loan, interest rate, the current balance, *etc.*). The data collected is needed and used to evaluate applicant eligibility; rank and prioritize applicants by specialty; assign applicants to IHS health care facilities; determine payment amounts and schedules for paying the lending

institutions; and to provide data and statistics for program management review and analysis. *Affected Public:* Individuals and households. *Type of Respondents:* Individuals. *Burden Hours:* The table below provides the estimated burden hours for this information collection:

ESTIMATED BURDEN HOURS

Office of Refugee Resettlement; Grant to the Department of Human Services, District of Columbia

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, HHS.

ACTION: Grant Award Announcement.

SUMMARY: Notice is hereby given that an award is being made to the Department of Human Services, District of Columbia in the amount of \$225,000 to provide funds to refugees in need of employment assistance due to the events of the September 11, 2001 attack on the Pentagon. The closure of Reagan National Airport and the rapid decline in the metropolitan hospitality industry caused substantial numbers of refugees to lose their jobs. Many of these refugees

The District of Columbia, Department of Human Services, intends to provide funds for mental health services, transportation assistance, English as a Second Language, direct assistance and State administration costs.

After the appropriate reviews, it has been determined that the need for additional services is compelling. The period of this funding will extend through March 30, 2003.

FOR FURTHER INFORMATION CONTACT: Janet Bailey, Office of Refugee Resettlement, Administration for Children and Families, 370 L'Enfant Promenade, SW., Washington, DC 20447, telephone (202) 401-4647.
