The term "mission critical system," as defined in the Rule, means any system that is necessary, depending on the nature of a member's or member organization's business, to ensure prompt and accurate processing of securities transactions, including order taking, entry, execution, comparison, allocation, clearance and settlement of securities transactions, the maintenance of customer accounts, access to customer accounts and the delivery of funds and securities.

The term "financial and operational risk assessments," for purposes of this Rule, means a set of written procedures that allow members and member organizations to identify changes in their operational, financial, and credit risk exposure.

The proposed rule also requires that members and member organizations designate and notify the Exchange of a senior officer designated to approve and annually review the plans and an Emergency Contact person(s). Members and member organizations would be required to make such plans available to the Exchange upon request.

The Exchange has worked cooperatively with the NASD in the development of this rule and expects that the NASD will file substantially the same rule with the Commission.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of section 6(b) of the Act,⁴ in general, and section 6(b)(5) of the Act,⁵ in particular, which requires, among other things, that the rules of an exchange be designed, among other things, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-NYSE-2002-35 and should be submitted by September 30, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁶
