**DEPARTMENT OF HEALTH AND
HUMAN SERVICES****Centers for Disease Control and
Prevention****Advisory Board on Radiation and
Worker Health: Meeting**

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting.

Name: Advisory Board on Radiation and
Worker Health (ABRWH).

Times and Dates: 8 a.m.–4:30 p.m.,
October 15, 2002; 8 a.m.–5 p.m., October 16,
2002.

Place: Inn at Loretto, 211 Old Santa Fe
Trail, Santa Fe, New Mexico 87501,
telephone 505/988-5531, fax 505/984-7988.

Status: Open to the public, limited only by
the space available. The meeting room
accommodates approximately 65 people.

Background: The Advisory Board on
Radiation and Worker Health (“the Board”) was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President, through the Secretary of Health and Human Services (HHS), on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Board include providing advice on the development of probability of causation guidelines which have been promulgated by HHS, advice on methods of dose reconstruction which have also been promulgated as an interim final rule, evaluation of the validity and quality of dose reconstructions conducted by the National Institute for Occupational Safety and Health (NIOSH) for qualified cancer claimants, and advice on the addition of classes of workers to the Special Exposure Cohort.

In December 2000, the President delegated responsibility for funding, staffing, and operating the Board to HHS, which subsequently delegated this authority to CDC. NIOSH implements this responsibility for CDC. The charter was signed on August 3, 2001, and in November 2001, the President completed the appointment of an initial roster of 10 Board members. In April 2002 and August 2002, the President appointed additional members to ensure more balanced representation on the Board. The initial tasks of the Board are to review and provide advice on the proposed and interim rules of HHS.

Purpose: This board is charged with (a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this Program; and (c) upon request by the Secretary, HHS, advising the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

Matters To Be Discussed: Agenda for this meeting will focus on dose reconstruction contract award information, dose reconstruction examples, site profile development, residual contamination study, Board member interaction with claimants, and the dose reconstruction workgroup report.

Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Larry Elliott, Executive Secretary, ABRWH, NIOSH, CDC, 4676 Columbia Parkway, Cincinnati, Ohio 45226, telephone 513/841-4498, fax 513/458-7125.

The Director, Management Analysis and Services Office, has been delegated the authority to sign Federal Register notices pertaining to announcements of meetings and other committee management activities for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: September 18, 2002.

John C. Burckhardt,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

BILLING CODE 4163-19-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Children's Hospitals Graduate Medical Education (CHGME) Payment Program: Proposed Methodology for Calculating Reconciliation Payment, Calculating Indirect Medical Education Payment, Disseminating CHGME Payment Program Data and Audit and Clarification of Policy on Hospital Eligibility

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: This notice requests comments on proposed methodology for determining payments during the Children's Hospitals Graduate Medical Education (CHGME) Payment Program's

reconciliation process, calculating indirect medical education (IME) payment, disseminating CHGME Payment Program data, and audit. The Program is authorized by section 340E of the Public Health Service Act (42 U.S.C. 256e), as amended by Pub. L. 106-310, The Children's Health Act, 2000. The notice also sets forth clarification of policies on hospital eligibility.

DATES: Interested persons are invited to comment by October 25, 2002. All comments received on or before October 25, 2002, will be considered in the development of the final notice concerning the proposed methodology. The Department will address comments individually or by group and publish a final notice on these comments in the **Federal Register**. Comments will also be available for public inspection, beginning October 25, 2002, at the address below from 8:30 a.m.-5 p.m. on weekdays, except for federal holidays.

ADDRESSES: Submit all written comments concerning this notice to Ayah E. Johnson, Ph.D., Chief, Graduate Medical Education Branch, Division of Medicine and Dentistry, Bureau of Health Professions, Health Resources and Services Administration, Room 9A-05, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857; or by e-mail to ChildrensHospitalGME@hrsa.gov.

FOR FURTHER INFORMATION CONTACT: Ayah E. Johnson, Ph.D., Chief, Graduate Medical Education Branch, Division of Medicine and Dentistry, Bureau of Health Professions, Health Resources and Services Administration, Room 9A-05, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857; telephone (301) 443-1058 or e-mail address ChildrensHospitalGME@hrsa.gov.

SUPPLEMENTARY INFORMATION: The CHGME Payment Program, as authorized by section 340E of the Public Health Service (PHS) Act (the Act) (42 U.S.C. 256e), provides funds to children's hospitals that operate graduate medical education (GME) programs. Public Law 106-310 amended the CHGME statute to continue the Program through fiscal year (FY) 2005.

Subsequent to the publication of this notice, CHGME policies will be put forth in regulations through the rulemaking procedures in accordance with Title 5 of the United States Code, as required by amendments to the CHGME statute made by Pub. L. 106-310, the Children's Health Act, 2000.

The Department wishes to provide clarification on the policy related to

hospital eligibility. This policy was first described in the March 1, 2001 (66 FR 12940), and the July 20, 2001 (66 FR 37980) **Federal Register**.

The Department wishes to clarify the relationship between the list of children's hospitals published in the March 1, 2001 **Federal Register** and those hospitals eligible to participate in the CHGME Payment Program.

The March 1, 2001 **Federal Register** notice list is comprised of hospitals that the CHGME Payment Program believed at that time to be potentially eligible based upon their Medicare provider number. However, all hospitals must meet the eligibility criteria set forth in the CHGME statute and applicable policy notices.

The Department will update the list of hospitals potentially eligible to participate in the CHGME Payment Program on an annual basis. The annual update will be available on the CHGME Web site: <http://bhpr.hrsa.gov/childrenshospitalgme>. The list is not a final determination of eligibility. A hospital omitted from this list, including a new hospital, can obtain an application by downloading it from the CHGME Web site.

Provisions Proposed for Comment

The Department is soliciting comments on the following proposed provisions within these rules: (1) Methodology for determining direct and indirect medical education (DME and IME, respectively) payments during the withholding and reconciliation process stipulated in the CHGME statute—a methodology is proposed for children's teaching hospitals and "new children's teaching hospitals" that are eligible to participate in the CHGME Payment Program; (2) methodology for calculating IME payments; (3) dissemination of CHGME Payment Program data.

I. Proposed Methodology for Calculating Reconciliation Payments

The CHGME statute, prior to its amendment, provided for a withholding and reconciliation process designed to increase the accuracy of the DME payments made to hospitals. The amendments revised this provision to include IME payments in the withholding and reconciliation process.

As revised, the CHGME statute requires the Secretary to withhold up to 25 percent from each interim installment payment for both DME and IME as necessary to ensure that a hospital will not be overpaid on an interim basis. In accordance with the CHGME statute, the Department must determine, prior to the end of the
