**NTN-Bower Corporation, Hamilton, AL; Notice of Negative Determination on Remand**

The United States Court of International Trade (USCIT) granted the Secretary of Labor's motion for a voluntary remand for further investigation in *Former Employees of NTN-Bower Corp. v. United States Secretary of Labor*, No. 02-00315.

The Department's initial negative determination of eligibility to apply for trade adjustment assistance (TAA) for the workers and former workers of NTN-Bower Corporation, located in Hamilton, Alabama was issued on March 27, 2002, and published in the **Federal Register** on April 5, 2002 (67 FR 16441). The denial was based on the fact that workers of the subject firm did not meet criterion (3) as indicated in the initial investigation. The company did not import tapered roller bearings nor did customers import tapered roller bearings during 2000 or 2001.

On voluntary remand, the Department conducted a further survey of a major customer regarding their purchases of tapered roller bearings (TRB) during 1999, 2000 and 2001. The response from

the major customer was not acquired during the initial survey.

The results of the survey show that the major customer did not import tapered roller bearings during the relevant period.

**Conclusion**

After careful consideration of the results of the remand investigation, I affirm the original notice of negative determination of eligibility to apply for trade adjustment assistance for workers and former workers of NTN-Bower Corporation, Hamilton, Alabama.

Signed in Washington, DC this 3rd day of October, 2002.

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification Regarding Eligibility To Apply for Worker Adjustment Assistance on February 20, 2002, applicable to workers of Potlatch Corporation, Minnesota Pulp and Paper Division, Brainerd, Minnesota. The notice was published in the **Federal Register** on February 28, 2002 (67 FR 9325).
