BILLING CODE 4140-01-M

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CO-913-1630-PD]

Notice of Final Supplementary Rules for Public Land Administered by the Bureau of Land Management in Colorado Relating to the Unlawful Use of Alcohol by Underage Persons, Driving Under the Influence of Alcohol and/or Drugs, and Drug Paraphernalia Use and Possession on Public Land

AGENCY: Bureau of Land Management, Interior.

ACTION: Final supplementary rules for public land within the State of Colorado.

SUMMARY: The Bureau of Land Management (BLM) is publishing supplementary rules to apply to the public lands within the State of Colorado. The rules relate to the illegal use of alcohol and drugs on the public lands. The BLM needs the supplementary rules to protect natural resources and the health and safety of public land users. These supplementary rules will allow BLM Law Enforcement Officers to enforce on public lands regulations pertaining to Alcohol and Drug laws in a manner consistent with current State of Colorado laws as contained in the Colorado Revised Statutes.

EFFECTIVE DATE: February 13, 2003.

ADDRESSES: You may send inquiries or suggestions to Bureau of Land Management, Colorado State Office, 2850 Youngfield Street, Lakewood, Colorado 80215.

FOR FURTHER INFORMATION CONTACT: Special Agent in Charge, John Silence at (303) 239-3803.

SUPPLEMENTARY INFORMATION:

I. Discussion of the Supplementary Rules

These supplementary rules apply to all the public lands within the State of Colorado. In keeping with the BLM's performance goal to reduce threats to public health, safety, and property, these supplementary rules are necessary to protect the natural resources and to

provide for safe public recreation and public health; to reduce the potential for damage to the environment; and to enhance the safety of visitors and neighboring residents. Alcohol-related offenses are a growing problem on the public lands. Unlawful consumption of alcohol and drugs, and abuses of alcohol and drugs, such as driving while under the influence, pose a significant health and safety hazard to all users and uses of the public lands and can result in the destruction of natural resources and property, and/or cause physical injury/death. In addition, drug-related offenses, including the possession of drug paraphernalia, result in the legitimization and encouragement of the illegal use of controlled substances by making the drug culture more visible and enticing. Further, the ready availability of drug paraphernalia tends to promote, suggest, or increase the public acceptability of the illegal use of controlled substances. In keeping with BLM's policy regarding the reduction of illegal use of controlled substances on public lands, and due to undesirable impacts on the public lands, the greatest of which is the threat to visitor safety and the safety of BLM employees, the BLM Colorado Law Enforcement Program will continue aggressive pursuit of ways to eliminate the possession, use, manufacturing, and trafficking of controlled substances, as well as the use and availability of drug paraphernalia on public lands, and will seek prosecution of those persons responsible for such activity. These supplementary rules allow BLM Law Enforcement Officers to enforce on public lands regulations pertaining to Alcohol and Drug laws in a manner patterning current State of Colorado laws as contained in the Colorado Revised Statutes in an effort to further the working relationship and partnerships formed with numerous Sheriff's Departments throughout Colorado and the Colorado State Patrol.

II. Discussion of Public Comments

We received one comment on the proposed supplementary rules. This comment supported the proposed supplementary rules without change. Therefore, we are publishing the final supplementary rules without substantive changes.

III. Procedural Information

Executive Order 12866, Regulatory Planning and Review

These supplementary rules are not a significant regulatory action and are not subject to review by the Office of Management and Budget under
