Notice of Proposed Withdrawal and Opportunity for Public Meeting;
Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Indian Affairs proposes to withdraw approximately 19.2 acres of public lands for a period of 20 years, to protect and preserve archeological, historical, and cultural resources of great significance to the Confederated Tribes of Coos, Lower Umpqua, and Siuslaw Indians. This notice closes the lands for up to 2 years.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the State Director at the above stated address.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the State Director at the above stated address within 90 days from the date of publication of this notice in the Federal Register.

Up on determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the Federal Register at least 30 days before the scheduled date of the meeting.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of 2 years from the date of publication of this notice in the Federal Register, the lands will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. The temporary land uses which may be permitted during this segregative period will be limited to ongoing United States Coast Guard activities, and those uses currently authorized by the United States Coast Guard, and the current activities of tribal members.

Robert D. DeViney, Jr.,
Chief, Branch of Realty and Records Services.

Multimodal Transportation Plan/Environmental Impact Statement, Arches National Park, UT

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of Intent to prepare an environmental impact statement for a Multimodal Transportation Plan, Arches National Park.

SUMMARY: Under the provisions of the National Environmental Policy Act, the National Park Service is preparing an environmental impact statement for a Multimodal Transportation Plan for Arches National Park. The environmental impact statement will be approved by the Director, Intermountain Region.

The Multimodal Transportation Plan will serve as a management and decision making tool for developing short and long-term solutions to problems associated with transportation in and around Arches National Park. The primary objectives of the plan include (1) establishing regional partnerships between the park and its gateway communities to reduce traffic impacts in both the park and surrounding communities, minimize duplication of services and facilities, and provide links to regional pathways to improve recreational opportunities in the park; (2) increasing the range of travel mode choices within the park, other than via private automobile, available to visitors, residents and employees of all ages and physical abilities; (3) provisions for safe travel throughout the park by all modes; and (4) protecting the park’s natural and cultural resources from impacts attributable to vehicles and visitor use, including inappropriate parking along...
