Tribal Management Grant Program; New Discretionary Funding Cycle for Fiscal Year 2005

CFDA Number: 93.228.

Key Dates:

Anticipated Award Start Date: January 1, 2005.

Program Authority: Public Law 93–638, sections 103(b)(2) and 103(e), Indian Self-Determination and Education Assistance Act, as amended.

I. Funding Opportunity Description

The Tribal Management Grant (TMG) Program is a national competitive discretionary grant program established to assist federally-recognized tribes and tribally-sanctioned tribal organizations in assuming all or part of existing Indian Health Service programs, services, functions, and activities (PSFA) through a Title I contract and to assist established Title I contractors and Title V compactors to further develop and improve their management capability. In addition, TMGs are available to tribes/tribal organizations under the authority of Public Law (Pub. L.) 93–638 section 103(e) for (1) obtaining technical assistance from providers designated by the tribe/tribal organization (including tribes/tribal organizations that operate mature contracts) for the purposes of program planning and evaluation, including the development of any management systems necessary for contract management and the development of cost allocation plans for indirect cost rates; and (2) planning, designing, and evaluating Federal health programs serving the tribe/tribal organization, including Federal administrative functions. These grants are established under the authority of section 103(b)(2) and section 103(e) of the Indian Self-Determination and Education Assistance Act, Public Law 93–638, as amended.

Funding Priorities: The IHS has established the following funding priorities for TMG awards. The funding of approved Priority I applicants will occur before the funding of approved Priority II applicants. Priority II applicants will be funded before approved Priority III applicants. Funds will be distributed until depleted.

• Priority I—Any Indian tribe that has received Federal recognition (restored, unterminated, funded, or unfunded) within the past 5 years.

• Priority II—All other eligible federally-recognized Indian tribes or tribally-sanctioned tribal organizations submitting a competing continuation application or a new application.

Applications that address more than one project type will be considered ineligible and will be returned to the applicant. The maximum funding level noted below includes both direct and indirect costs. Application budgets which exceed the maximum funding level or project period identified for a project type will not be reviewed.
