

to the records in order to perform their assigned Agency functions.

8. To Federal, State, and local law enforcement agencies and private security contractors, as appropriate, information necessary:

a. To enable them to protect the safety of SSA employees and customers, the security of the SSA workplace, and the operation of SSA facilities, or

b. To assist investigations or prosecutions with respect to activities that affect such safety and security or activities that disrupt the operation of SSA facilities.

9. To contractors and other Federal agencies, as necessary, for the purpose of assisting SSA in the efficient administration of its programs. We contemplate disclosing information under this routine use only in situations in which SSA may enter into a contractual or similar agreement with a third party to assist in accomplishing an Agency function relating to this system of records.

10. The Commissioner shall disclose to the Secretary of Health and Human Services (HHS), or to any State, any record or information requested in writing by the Secretary to be so disclosed for the purpose of administering any program administered by the Secretary, if records or information of such type were so disclosed under applicable rules, regulations and procedures in effect before the date of enactment of the Social Security Independence and Program Improvements Act of 1994.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Records in this system are maintained and stored in electronic form.

RETRIEVABILITY:

Records in this system are retrieved by a requester's or third party's first name, last name, Social Security Number (SSN), subject matter, or control number.

SAFEGUARDS:

Security measures include the use of access codes to enter the computer system which will maintain the data, the storage of computerized records in secured areas which are accessible only to employees who require the information in performing their official duties. Any manually maintained records will be kept in locked cabinets or in otherwise secure areas. SSA employees who have access to the data will be informed of the criminal penalties of the Privacy Act for

unauthorized access to or disclosure of information maintained in the system.

See 5 U.S.C. 552a(i)(1).

Contractor personnel having access to data in the system of records will be required to adhere to SSA rules concerning safeguards, access and use of the data.

RETENTION AND DISPOSAL:

Any document related to a FOIA request that has been denied will be retained (stored electronically) for six years from the response date. Requests that have been granted will be retained for two years from the response date. When the time period has elapsed, the case will be deleted provided (1) it is a closed case and (2) there are no open cases linked to that case. If the case is still open or linked to another open case, deletion will be delayed until closure of all cases involved.

SYSTEM MANAGER(S):

Freedom of Information Officer, Office of Public Disclosure, Office of the General Counsel, Social Security Administration, 6401 Security Boulevard, Baltimore, Maryland 21235-6401.

NOTIFICATION PROCEDURE(S):

An individual can determine if this system contains a record about him/her by writing to the systems manager(s) at the above address and providing his/her name, SSN or other information that may be in the system of records that will identify him/her. An individual requesting notification of records in person should provide the same information, as well as provide an identity document, preferably with a photograph, such as a driver's license or some other means of identification. If an individual does not have any identification documents sufficient to establish his/her identity, the individual must certify in writing that he/she is the person claimed to be and that he/she understands that the knowing and willful request for, or acquisition of, a record pertaining to another individual under false pretenses is a criminal offense.

If notification is requested by telephone, an individual must verify his/her identity by providing name, SSN, address, date of birth, place of birth, and at least one other piece of identifying information that parallels the record to which notification is being requested. If it is determined that the identifying information provided by telephone is insufficient, the individual will be required to submit a request in writing or in person. If an individual is requesting information by telephone on

behalf of another individual, the subject individual must be connected with SSA and the requesting individual in the same phone call. SSA will establish the subject individual's identity (his/her name, SSN, address, date of birth and place of birth along with one other piece of information such as mother's maiden name) and ask for his/her permission to provide the information to the requesting individual.

If a request for notification is submitted by mail, an individual must include a notarized statement to SSA to verify his/her identity or must certify in the request that he/she is the person claimed to be and that he/she understands that the knowing and willful request for, or acquisition of, a record pertaining to another individual under false pretenses is a criminal offense. These procedures are in accordance with SSA Regulations (20 CFR 401.40).

RECORD ACCESS PROCEDURE(S):

Same as Notification procedures. Requesters also should reasonably specify the record contents they are seeking. These procedures are in accordance with SSA Regulations (20 CFR 401.50).

CONTESTING RECORD PROCEDURE(S):

Same as Notification procedures. Requesters should also reasonably identify the record, specify the information they are contesting, and state the corrective action sought and the reasons for the correction with supporting justification showing how the record is untimely, incomplete, inaccurate, or irrelevant. These procedures are in accordance with SSA Regulations (20 CFR 401.65).

RECORD SOURCE CATEGORIES:

Information is furnished by the inquirer and generated by SSA in response to FOIA requests.

SYSTEMS EXEMPT FROM CERTAIN PROVISIONS OF THE PRIVACY ACT:

None.

BILLING CODE 4191-02-P

DEPARTMENT OF STATE

[Public Notice 4962]

**Bureau of Political-Military Affairs:
Directorate of Defense Trade Controls;
Notifications to the Congress of
Proposed Commercial Export Licenses**

ACTION: Notice.

SUMMARY: Notice is hereby given that the Department of State has forwarded

the attached Notifications of Proposed Export Licenses to the Congress on the dates shown on the attachments pursuant to sections 36(c) and 36(d) and in compliance with section 36(f) of the Arms Export Control Act (22 U.S.C. 2776).

DATES: *Effective Date:* As shown on each of the eighteen letters.

FOR FURTHER INFORMATION CONTACT: Mr. Peter J. Berry, Director, Office of Defense Trade Controls Licensing, Directorate of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State (202) 663-2700.

SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the **Federal Register** when they are transmitted to Congress or as soon thereafter as practicable.

Dated: January 10, 2005.

Peter J. Berry,
Director, Office of Defense Trade Controls Licensing, Directorate of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State.

November 16, 2004.

Dear Mr. Speaker: Pursuant to section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data, defense services and hardware for design, development, fabrication and export of Day/Night Range Sights specified for the HITFIST Turret for the Polish Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

James P. Terry,
Acting Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 082-04.

The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

November 17, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical

data, hardware and assistance to Mexico for the manufacture of connectors for aircraft, sea-going vessels, tanks and Multiple Launch Rocket Systems for import to the U.S.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DTC 081-04.

The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves two licenses for the export of 1450 Colt M4 full-auto carbines, 300 Colt M16A4 full-auto rifles and associated equipment to the Special Operations Command, Armed Forces, United Arab Emirates.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 059-04.

The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data, assistance and manufacturing know-how Augusta, Italy for the manufacture of Sikorsky Model S-61 helicopters and parts for resale to various countries.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 084-04

The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad and the export of defense articles or defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, hardware and assistance for the manufacture of T55 gas turbine engines, parts and components for the Japan Defense Agency CH-47 helicopter Program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 088-04.

The Honorable J. Dennis Hastert, Speaker of the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of 1,730 M4 carbines, ammunition and supporting equipment for use by the Department of Financial Administration, Ministry of Interior, Government of Kuwait.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 089-04.

The Honorable J. Dennis Hastert, Speaker of
the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad and license for the export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services and hardware to Italy to support the manufacture and servicing of CH-47C helicopter, composite blades, parts and ground support equipment for end-use in Egypt, Italy, Morocco, and the United Arab Emirates.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 090-04.

The Honorable J. Dennis Hastert, Speaker of
the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense services, technical data and defense articles for the manufacture in Canada of F110/F101/TF39/F404/F404-402/RM12 aircraft engine components for permanent import to the U.S.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly,
Assistant Secretary Legislative Affairs.

Enclosure: Transmittal No. DDTC 091-04.

The Honorable J. Dennis Hastert, Speaker of

the House of Representatives.

November 19, 2004.

Dear Mr. Speaker: Pursuant to section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of 1,195 M16A-Type Carbines, with 6-Position Telescop and Flash Hiders, and ammunition. These weapons are being sold to the Colombian Military for training and tactical operations.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

BILLING CODE 4710-25-P

DEPARTMENT OF STATE

[Public Notice 4961]

United States Climate Change Science Program

ACTION: Request expert review of the Intergovernmental Panel on Climate Change (IPCC) "Special Report on Carbon Dioxide Capture and Storage" (SRCCS).

SUMMARY: In addition to periodic assessments of the science, impacts, and socio-economic aspects of climate change, the IPCC provides, on request, advice to the Conference of the Parties to the United Nations Framework Convention on Climate Change (UNFCCC) and its bodies. The Seventh Conference of the Parties (COP) of the UNFCCC expressed interest in carbon capture and storage by inviting the IPCC to prepare a Technical Paper on geological carbon storage technologies. The IPCC noted that a Technical Paper, which is limited in its scope to summarizing existing IPCC reports,
