**AGENCY:** Department of Education.

**SUMMARY:** The Leader, Information  
Management Case Services Team,  
Regulatory Information Management  
Services, Office of the Chief Information  
Officer, invites comments on the  
proposed information collection  
requests as required by the Paperwork  
Reduction Act of 1995.

**DATES:** Interested persons are invited to  
submit comments on or before May 23,  
2005.

**SUPPLEMENTARY INFORMATION:** Section  
3506 of the Paperwork Reduction Act of  
1995 (44 U.S.C. chapter 35) requires that  
the Office of Management and Budget  
(OMB) provide interested Federal  
agencies and the public an early  
opportunity to comment on information  
collection requests. OMB may amend or  
waive the requirement for public  
consultation to the extent that public  
participation in the approval process  
would defeat the purpose of the  
information collection, violate State or  
Federal law, or substantially interfere  
with any agency's ability to perform its  
statutory obligations. The Leader,  
Information Management Case Services  
Team, Regulatory Information  
Management Services, Office of the  
Chief Information Officer, publishes that  
notice containing proposed information  
collection requests prior to submission  
of these requests to OMB. Each  
proposed information collection,  
grouped by office, contains the  
following: (1) Type of review requested,  
*e.g.* new, revision, extension, existing or  
reinstatement; (2) title; (3) summary of  
the collection; (4) description of the  
need for, and proposed use of, the

information; (5) respondents and  
frequency of collection; and (6)  
reporting and/or recordkeeping burden.  
OMB invites public comment.

The Department of Education is  
especially interested in public comment  
addressing the following issues: (1) Is  
this collection necessary to the proper  
functions of the Department; (2) will  
this information be processed and used  
in a timely manner; (3) is the estimate  
of burden accurate; (4) how might the  
Department enhance the quality, utility,  
and clarity of the information to be  
collected; and (5) how might the  
Department minimize the burden of this  
collection on the respondents, including  
through the use of information  
technology.

Dated: March 17, 2005.
