#### Notice of Realty Direct Sale of Public Lands to the Mary A. Clay Revocable Trust in Washakie County, WY, Worland Field Office, WYW-156332

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Direct sale of public lands.

**SUMMARY:** The public surface estate has been determined to be suitable for disposal by direct sale under Section 203 of the Federal Land Policy and Management Act (FLPMA) of 1976, (90 STAT. 2750; 43 U.S.C. 1713) and the Federal Land Transaction Facilitation Act of 2000, Pub. L. 106-248, July 25, 2000, to the Mary A. Clay Revocable Trust, the owner of improvements on the property.

**FOR FURTHER INFORMATION CONTACT:** Victor Trickey, Realty Specialist, BLM

Worland Field Office, P.O. Box 119 (101 South 23rd Street), Worland, WY 82401, (307) 347-5106.

**SUPPLEMENTARY INFORMATION:** The Bureau of Land Management (BLM) will sell the described land at not less than the appraised fair market value of \$1,924.00, in accordance with regulations at 43 CFR 2710.0-6(f).

#### Sixth Principal Meridian

T. 47 N., R. 87 W.,

Sec. 33, N $\frac{1}{2}$ SE $\frac{1}{4}$ SW $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$ ,

N $\frac{1}{2}$ S $\frac{1}{2}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$

Containing approximately 3.75 acres.

The land described is hereby segregated from appropriation under the public land laws pending disposition of this action or 270 days from the date of publication of this notice in the **Federal Register**, whichever occurs first.

This land will not be offered for sale until at least 60 days after the date of this notice. This sale is consistent with BLM policies and the Washakie Resource Management Plan, dated September 2, 1988. This land is being offered by direct sale because a portion of a former girl scout visitor center building was located on land reconveyed to the United States, and the encroachment went unnoticed during the reconveyance. The proposed direct sale of the public land to the owners of the improvements, which is in compliance with an approved land use plan, would recognize the inequities that would be created if the tract were purchased by other than the sale proponent. Direct sale to resolve the unintended occupancy meets the criteria for disposal under the regulations at 43 CFR 2710.0-3(a)(3) and 43 CFR 2711.3-3(a)(5). In accordance with the regulations at 43 CFR 2711.3-3(a)(3) there is a need to recognize the inequitable economic consequences that would be created if the tract were purchased by other than the sale proponent. The authorized officer has determined that the public interest would best be served by direct sale of this parcel. The approved appraisal report, planning document, and environmental assessment covering the proposed sale will be available for review at the Worland Field Office, at the address listed above.

The patent, when issued, will contain a reservation to the United States for ditches and canals and will be subject to rights-of-way of record, as follows:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States pursuant to the Act of August 30, 1890 (43 U.S.C. 945);
2. Those rights for road purposes granted to the Mary A. Clay Revocable

Trust, its successors or assigns by Right-of-Way Serial No. WYW-123138, under Title V of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1761-1771;

3. Those rights for telephone purposes granted to Tri-County Telephone, its successors or assigns by Right-of-Way Serial No. WYW-111951, under Title V of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1761-1771; and

4. Those rights for Federal aid highway purposes granted to the Wyoming Department of Transportation, its successors or assigns by Right-of-Way Serial No. WYW-23915, under the Act of August 27, 1958 as amended, Title 23 U.S.C. 317. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments to the Field Manager, Worland Field Office, P.O. Box 119 (101 South 23rd Street), Worland, Wyoming 82401. In the absence of timely objections, this proposal shall become the final determination of the Department of the Interior. Comments including names and street addresses of respondents will be available for public review at the Worland Field Office during regular business hours (7:45 a.m. to 4:30 p.m.) Monday through Friday, except holidays.

Individual respondents may request confidentiality. If you wish to withhold your name or address from public disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives of organizations or businesses, will be made available for public inspection in their entirety.

Dated: August 17, 2005.

**SUPPLEMENTARY INFORMATION:**

*Background.* On September 7, 2005, the Commission determined that the domestic interested party group response to its notice of institution (70 FR 31537, June 1, 2005) of the subject five-year review was adequate and that the respondent interested party group

response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.<sup>1</sup> Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.<sup>2</sup>

*Staff report.* A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on October 6, 2005, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

*Written submissions.* As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,<sup>3</sup> and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before October 12, 2005 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by October 12, 2005. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic

<sup>1</sup> A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

<sup>2</sup> Commissioner Pearson dissented and Commissioner Aranoff did not participate.

<sup>3</sup> The Commission has found the responses submitted by Diamond Sparkler Manufacturing Co., Inc. and Elkton Sparkler Co., Inc. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).
