

IOPV for the Shares every 15 seconds from 9:30 a.m. to 4:15 p.m. E.T.

The Exchange will cease trading in the Shares if (a) the primary market stops trading the Shares because of a regulatory halt similar to a halt based on Amex Rule 117 and/or a halt because dissemination of the IOPV and/or underlying index value has ceased or (b) the primary market delists the Shares.

In support of this proposed rule change, the Exchange has made the following representations:

1. Amex has appropriate rules to facilitate transactions in this type of security;
2. Amex surveillance procedures are adequate to properly monitor the trading of the Shares on the Exchange;
3. Amex will distribute an Information Circular to its members prior to the commencement of trading of the Shares on the Exchange that explains the terms, characteristics, and risks of trading such shares;
4. Amex will require a member with a customer that purchases the Shares on the Exchange to provide that customer with a product prospectus and will note this prospectus delivery requirement in the Information Circular; and
5. Amex will cease trading in the Shares if (a) the primary market stops trading the Shares because of a regulatory halt similar to a halt based on Amex Rule 117 and/or a halt because dissemination of the IOPV and/or underlying index value has ceased or (b) the primary market delists the Shares.

This approval order is conditioned on Amex's adherence to these representations.

The Commission finds good cause for approving this proposed rule change, as amended, before the thirtieth day after the publication of notice thereof in the **Federal Register**. As noted earlier, the Commission previously found that the listing and trading of these Shares on the NYSE are consistent with the Act.²² The Commission presently is not aware of any issue that would cause it to revisit that earlier finding or preclude the trading of these funds on the Exchange pursuant to UTP. Therefore, accelerating approval of this proposed rule change should benefit investors by creating, without undue delay, additional competition in the market for these Shares.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act, that the proposed rule change (SR-Amex-2005-

091), as amended, is hereby approved on an accelerated basis.²³

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²⁴

Secretary.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

a. XSP Fees

The Exchange proposes to establish fees for XSP options, which commenced trading on October 25, 2005. XSP options are options that are based on one-tenth the value of the Standard & Poor's 500 Index. XSP options trade on CBOE's Hybrid 2.0 trading system.

The transaction fee for customer orders in XSP options will be \$.15 per contract. The market-maker transaction fee will also be \$.15 per contract.⁶ The Exchange believes the \$.15 market-maker transaction fee will act as an incentive for market-makers to provide liquidity in the XSP product. Member firm proprietary transaction fees will be \$.20 for facilitation of customer orders and \$.24 for non-facilitation orders. The broker-dealer transaction fee will be \$.25 per contract, the remote market-maker transaction fee will be \$.26 per contract, and the non-member market-maker fee will be \$.17 per contract.

As per the current CBOE Fee Schedule, the floor brokerage fee for XSP options will be \$.04 per contract and \$.02 per contract for crossed orders. The Marketing Fee and the RAES Access Fee will not apply.

b. Fee Waiver

The Exchange proposes to waive all fees for trading in XSP options beginning with the launch of trading in XSP options through January 31, 2006.

⁶ XSP options trade without a Designated Primary Market-Maker ("DPM"), Electronic-DPM ("e-DPM") or Lead Market-Maker ("LMM"), under CBOE's index option hybrid rules.

²² See NYSE Order, *supra* note 5.

Following the fee waiver period, the Exchange will begin assessing the fees set forth above. The Exchange has decided to waive all XSP fees to promote the launch of the XSP product.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁸ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among CBOE's members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change, as amended, has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act⁹ and subparagraph (f)(2) of Rule 19b-4 thereunder,¹⁰ because it establishes or changes a due, fee, or other charge imposed by the CBOE. At any time within 60 days of the filing of the proposed rule change, as amended, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹¹
