

36 CFR Parts 215 or 217. Additionally, pursuant to 7 CFR 1.27(d), any person may request the agency to withhold a submission from the public record by showing how the Freedom of Information Act (FOIA) permits such confidentiality. Requesters should be aware that, under FOIA, confidentiality may be granted in only very limited circumstances, such as to protect trade secrets. The Forest Service will inform the requester of the agency's decision regarding the request for confidentiality, and where the request is denied, the agency will return the submission and notify the requester that the comments may be resubmitted with or without name and address within 7 days.

No outside permits or licenses are required to implement the proposed action. *Responsible Official:* The Tongass Forest Supervisor, 648 Mission Street, Ketchikan, AK, 99901, is the responsible official. The responsible official will consider the comments, response, disclosure of environmental consequences, and applicable laws, regulations, and policies in making the decision and stating the rationale in the Record of Decision.

Dated: March 20, 2006.

Forrest Cole,

Forest Supervisor.

Opal Creek Scenic Recreation Area (SRA) Advisory Council

AGENCY: Forest, USDA Forest Service.

ACTION: Notice of Meeting.

SUMMARY: An Opal Creek Scenic Recreation Area Advisory Council meeting will convene in Stayton, Oregon on Thursday, April 27, 2006. The meeting is scheduled to begin at 6:30 p.m., and will conclude at approximately 8:30 p.m. The meeting will be held in the South Room of the Stayton Community Center located on 400 West Virginia Street in Stayton, Oregon.

The Opal Creek Wilderness and Opal Creek Scenic Recreation Area Act of 1996 (Opal Creek Act) (Pub. L. 104-208) directed the Secretary of Agriculture to establish the Opal Creek Scenic Recreation Area Advisory Council. The Advisory Council is comprised of thirteen members representing state, county and city governments, and representatives of various organizations, which include mining industry,

environmental organizations, inholders in Opal Creek Scenic Recreation Area, economic development, Indian tribes, adjacent landowners and recreation interests. The council provides advice to the Secretary of Agriculture on preparation of a comprehensive Opal Creek Management Plan for the SRA, and consults on a periodic and regular basis on the management of the area. Tentative agenda items include new advisory council member introductions, roles and responsibilities, current project updates and future projects.

A direct public comment period is tentatively scheduled to begin at 8 p.m. Time allotted for individual presentations will be limited to 3 minutes. Written comments are encouraged, particularly if the material cannot be presented within the time limits of the comments period. Written comments may be submitted prior to the April 27th by sending them to Designated Federal Official Paul Matter at the address given below.

FOR FURTHER INFORMATION CONTACT: For more information regarding this meeting, contact Designated Federal Official Paul Matter; Willamette National Forest, Detroit Ranger District, HC 73 Box 320, Mill City, OR 97360; (503) 854-3366.

Dated: March 21, 2006.

Dallas J. Emch,

Forest Supervisor.

BILLING CODE 3410-11-M

DEPARTMENT OF COMMERCE

International Trade Administration

(A-588-852, A-580-841, C-580-842)

Revocation of Antidumping and Countervailing Duty Orders: Structural Steel Beams From Japan and South Korea

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On May 2, 2005, the Department of Commerce (“the Department”) initiated its sunset reviews of the antidumping duty (“AD”) orders on structural steel beams (“beams”) from Japan and South Korea (“Korea”), and the countervailing duty (“CVD”) order on beams from Korea. See *Initiation of Five-year (“Sunset”) Reviews*, 70 FR 22632 (May 2, 2005). Pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”), the International Trade Commission (“the ITC”), in its sunset reviews, determined that revocation of the AD orders on beams from Japan and Korea and the CVD order on beams from Korea would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See *Structural Steel Beams from Japan and Korea*, 71 FR 13431 (March 15, 2006). Therefore, pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(1)(iii), the Department is revoking the AD orders on beams from Japan and Korea and the CVD order on beams from Korea.

EFFECTIVE DATE: June 19, 2005 - Japan; August 14, 2005 - Korea (CVD); August 18, 2005 - Korea (AD).

FOR FURTHER INFORMATION CONTACT: Robert James or Dana Mermelstein (AD orders), Tipten Troidl or Brandon Farlander (CVD order), AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0649, (202) 482-1391, (202) 482-1767 or (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Orders

The products covered by these orders are doubly-symmetric shapes, whether

hot-or cold-rolled, drawn, extruded, formed or finished, having at least one dimension of at least 80 mm (3.2 inches or more), whether of carbon or alloy (other than stainless) steel, and whether or not drilled, punched, notched, painted, coated, or clad. These products include, but are not limited to, wide-flange beams (W shapes), bearing piles (HP shapes), standard beams (S or I shapes), and M-shapes.

All products that meet the physical and metallurgical descriptions provided above are within the scope of these orders unless otherwise excluded. The following products are outside and/or specifically excluded from the scope of these orders: Structural steel beams greater than 400 pounds per linear foot or with a web or section height (also known as depth) over 40 inches.

The products subject to these orders are currently classifiable in the Harmonized Tariff Schedule of the United States (“HTSUS”) at subheadings: 7216.32.0000, 7216.33.0030, 7216.33.0060, 7216.33.0090, 7216.50.0000, 7216.61.0000, 7216.69.0000, 7216.91.0000,¹ 7216.99.0000,² 7228.70.3040,³ 7228.70.6000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise in these orders is dispositive.

Background

On June 19, August 18, and August 14, 2000, the Department issued the AD orders on beams from Japan and Korea and the CVD order on beams from Korea, respectively. See *Structural Steel Beams from Japan: Notice of Antidumping Duty Order*, 65 FR 37960 (June 19, 2000), *Structural Steel Beams From South Korea: Notice of Antidumping Duty Order*, 65 FR 50502 (August 18, 2000), and *Notice of Countervailing Duty Order: Structural Steel Beams from the Republic of Korea*, 65 FR 49542 (August 14, 2000). On May 2, 2005, the Department initiated, and the ITC instituted, sunset reviews of the AD and CVD orders on beams from Japan and Korea. See *Initiation of Five-year (“Sunset”) Reviews*, 70 FR 22632 (May 2, 2005). As a result of its CVD sunset review, the Department found

¹ HTSUS subheading 7216.91.0000 was no longer in use as of 2004, and was replaced by 7216.91.0010 and 7216.91.0090 in that year.

² HTSUS subheading 7216.99.0000 was no longer in use as of 2004, and was replaced by 7216.99.0010 and 7216.99.0090 in that year.

³ HTSUS subheading 7228.70.3040 was no longer in use as of 2005. What was previously covered by that number is covered within 7228.70.3010 and 7228.70.3041 starting in 2005.

that revocation of the CVD order would be likely to lead to continuation or recurrence of a countervailable subsidy, and notified the ITC of the level of subsidy likely to prevail were the order to be revoked. See *Final Results of Expedited Sunset Review of the Countervailing Duty Order: Structural Steel Beams from South Korea*, 70 FR 53167 (September 7, 2005). As a result of its AD sunset reviews, the Department found that revocation of the AD orders would be likely to lead to continuation or recurrence of dumping, and notified the ITC of the magnitude of the margin likely to prevail were the orders to be revoked. See *Structural Steel Beams from Japan and South Korea; Final Results of Expedited Sunset Reviews of Antidumping Duty Orders*, 70 FR 53633 (September 9, 2005). On March 15, 2006, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the AD orders on beams from Japan and Korea, and the CVD order on beams from Korea would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See *Structural Steel Beams from Japan and Korea*, 71 FR 13431 (March 15, 2006) and USITC Publication 3840 (March 2006), entitled *Structural Steel Beams from Japan and Korea* (Inv. Nos. 701-TA-401 and 731-TA-853-854 (Review)).

Determination

As a result of the determination by the ITC that revocation of these AD and CVD orders is not likely to lead to continuation or recurrence of material injury to an industry in the United States, the Department, pursuant to section 751(d) of the Act, is revoking the AD orders on beams from Japan and Korea and the CVD order on beams from Korea. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is June 19, 2005, August 18, 2005, and August 14, 2005 (*i.e.*, the fifth anniversary of the date of publication in the **Federal Register** of the notices of the AD order on Japan, the AD order on Korea, and the CVD order on Korea, respectively). The Department will notify U.S. Customs and Border Protection to discontinue suspension of liquidation and collection of cash deposits on entries of the subject merchandise entered or withdrawn from warehouse on or after June 19, 2005, August 18, 2005, and August 14, 2005, the effective dates of revocation of the AD orders and the CVD order. The Department will complete any pending administrative reviews of these orders and will conduct
