

On July 25, 2006, the Department issued a memorandum which stated that the CBP data examined by the Department (and referenced in the July 24, 2006, Memorandum) shows that TCW had no shipments of subject merchandise during the POR and indicated that the Department intended to rescind the administrative review with respect to TCW. See the July 25, 2006, memorandum from Brian Smith to the file entitled, "Intent to Rescind in Part the Antidumping Duty Administrative Review on Certain Cased Pencils from the People's Republic of China." The Department also provided parties in this review until August 1, 2006, to submit comments on the July 24, 2006, Memorandum.

On July 31, 2006, the petitioner stated that it did not oppose the Department's intention of rescinding this review with respect to TCW.

Partial Rescission of Review

Section 351.213(d)(1) of the Department's regulations stipulates that the Secretary will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review, unless the Secretary decides that it is reasonable to extend this time limit. In this case, SFTC withdrew its request for review before the 90-day deadline. Because SFTC was the only party to request the administrative review of itself, we are rescinding, in part, this review of the antidumping duty order on certain cased pencils from the PRC with respect to SFTC.

Section 351.213(d)(3) of the Department's regulations stipulates that the Secretary will rescind an administrative review, in whole or in part, with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise. Therefore, we are also rescinding this review with respect to TCW because the Department reviewed CBP data which indicated that TCW did not export subject merchandise to the United States during the POR.

This review will continue with respect to the other companies listed in the *Initiation Notice*.

Assessment

The Department will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties for the rescinded companies, where applicable, shall be assessed at a rate equal to the cash deposit of estimated

antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

This notice is published in accordance with sections 751 and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 10, 2006.

Corrosion-Resistant Carbon Steel Flat Products from Korea: Extension of Time Limits for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Preeti Tolani at (202) 482-0395, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On September 28, 2005, the U.S. Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on corrosion-resistant carbon steel flat products from Korea, covering the period August 1, 2004, to July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). On April 18, 2006, the Department published a notice of extension for the preliminary results of this review, extending the time for issuing the preliminary results by 100 days to August 11, 2006. See *Notice of Extension of Time Limits for the Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 19872 (April 18, 2006).

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Section 751(a)(3)(A) of the Act further states that if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results to a maximum of 365 days.

We determine that completion of the preliminary results of this review by August 11, 2006, is not practicable because the Department requires additional time to analyze supplemental questionnaire responses and comments recently filed by petitioners and respondents participating in this review. Therefore, in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results to the full 365-day period. Therefore, the preliminary results are now due no later than August 31, 2006. The final results continue to be due 120 days after publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3) and 777(i)(1) of the Act.

Dated: August 10, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
