Certain Hot-Rolled Carbon Steel Flat Products from the Netherlands; Antidumping Duty Administrative Review; Extension of Time Limit

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the 2004-2005 administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands. This review covers one manufacturer/exporter of the subject

merchandise to the United States and the period November 1, 2004, through October 31, 2005.

EFFECTIVE DATE: March 23, 2007.

FOR FURTHER INFORMATION CONTACT: David Cordell or Robert James Antidumping and CVD Operations, Office 7 Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0408 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On December 11, 2006, we published the preliminary results of the administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands for the period November 1, 2004, through October 31, 2005. See *Certain Hot-Rolled Carbon Steel Flat Products from the Netherlands; Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 71523 (December 11, 2006).

Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.213(h)(i), the Department shall issue final results in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results is published in the **Federal Register**. The Department, however, may extend the deadline for completion of the final results of a review if it determines it is not practicable to complete the final results within the statutory time limit. See section 751(a)(3)(A) of the Tariff Act and section 351.213(h)(2) of the Department's regulations.

In this case, the Department has determined that it is not practicable to complete this review within the statutory time limit because of significant issues which require additional time to evaluate. These include issues related to the cost of production (e.g., cost of manufacture and general and administrative expenses) as well as questions concerning simplified reporting and CEP and EP classification of sales. Therefore, the Department is extending the time limit for completion of the final results by 35 days until May 15, 2007 in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: March 19, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

FOR FURTHER INFORMATION CONTACT:

Christopher Hargett at (202) 482-4161, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION

Background

At the request of interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on certain pasta from Italy for the period July 1, 2005, through June 30, 2006. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 51573 (August 30, 2006). The preliminary results are currently due no later than April 2, 2007.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Preliminary Results

The Petitioners¹ raised a number of complex issues, including among other things, Atar S.r.L.'s status as a toll producer. In order to adequately analyze these complex issues, the Department must gather and analyze more information. We determine that it is not practicable to gather and analyze the requested data and complete the preliminary results of this review within the original time limit. Therefore, we are fully extending the time period for issuing the preliminary results of this review to 365 days until July 31, 2007. The final results continue to be due 120 days after publication of the preliminary results.

This notice is published in accordance with section 751(a)(3)(A) and 777(i) of the Act and 19 CFR 351.213(h)(2).

Polyethylene Terephthalate (PET) Film, Sheet, and Strip from India: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: March 23, 2007.

FOR FURTHER INFORMATION CONTACT: Jun Jack Zhao or Jacqueline Arrowsmith, Office of AD/CVD Operations 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1396 or (202) 482-5255, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 30, 2006, in response to timely requests from Jindal Poly Films Limited of India and MTZ Polyfilms, Ltd., the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order

on polyethylene terephthalate (PET) film from India. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 51573 (August 30, 2006). This administrative review covers the period July 1, 2005 through June 30, 2006. On January 10, 2007, we rescinded the review of Jindal Poly Films Limited of India as a result of the withdrawal of its request for an administrative review. *See Polyethylene Terephthalate Film, Sheet, and Strip from India: Notice of Rescission, in Part, of Antidumping Duty Administrative Review* 72 FR 1216.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and section 351.213(h)(1) of the Department's regulations require the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and final results of the review within 120 days after the date on which the notice of the preliminary results is published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and to extend the 120-day period to 180 days.

We determine that it is not practicable to complete the preliminary results of this review within the original time limit due to the complex issues related to terms of sale, and the fact that the Department will need to issue additional supplemental questionnaires. Therefore, the Department is extending the deadline for completion of the preliminary results of this administrative review of the antidumping duty order on PET film from India by 120 days from April 2, 2007 until no later than July 31, 2007.

This notice is issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 19, 2007.
