DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Urban Partnership-Related Federal Register Notices

AGENCY: Office of the Secretary of Transportation (“OST”), DOT.

ACTION: Notice of list of urban partnership-related **Federal Register** notices.

SUMMARY: The U.S. Department of Transportation (the “Department”) is pleased to provide you the following list of solicitations issued by the Department in connection with its Urban Partnership Program announced in December 2006.

FOR FURTHER INFORMATION CONTACT: Please address questions regarding this notice to David B. Horner, Esq., Chief Counsel, Federal Transit

Administration, U.S. Department of Transportation by e-mail at *David.Horner@dot.gov*.

SUPPLEMENTARY INFORMATION: The following is a list of solicitations issued by the Department in connection with its Urban Partnership Program announced in December 2006.

The Urban Partnership Program reflects the Department’s effort to develop, in the words of U.S. Transportation Secretary Mary Peters, “21st Century Solutions to 21st Century Challenges” facing the Nation’s transportation network. One such challenge is the severe and worsening problem of metropolitan traffic congestion. Through the Urban Partnership Program, the Department is offering a combination of grants, technical expertise, regulatory relief and credit support to jurisdictions which are prepared to experiment with four strategies believed to be effective, on a combined basis, in reducing metropolitan traffic congestion: (i) Value pricing, (ii) bus transit, (iii) telecommuting and flextime, and (iv) intelligent transportation technology.

Representatives of metropolitan areas interested in becoming Urban Partners

must submit an application to the Department that meets the requirements detailed in the Department’s December 8, 2006, **Federal Register** Notice (“Applications for Urban Partnership Agreements (“UPAs”) as Part of Congestion Initiative”). Designation as an Urban Partner does not, by itself, qualify a party for any grant or funding amount. However, Urban Partners will receive priority consideration under the other departmental discretionary funding programs referenced below, to the extent that program terms provide or allow.

Applicants must apply separately to each of the programs from which they seek funding and must meet each program’s specific statutory requirements. Applicants are encouraged to identify in each application those other Urban Partnership-related program solicitations, if any, to which they have applied. All application materials are due to the Department by April 30, 2007, apart from applications to the Federal Transit Administration’s Alternatives Analysis and Bus & Bus Facilities Programs, which are due by May 22, 2007.
