*Title:* Data Collection Plan for the Customer Satisfaction Evaluation of Child Welfare Information Gateway.

*OMB No.:* 0970-0303.

*Description:* The National Clearinghouse on Child Abuse and Neglect Information (NCCAN) and the National Adoption Information Clearinghouse (NAIC) received OMB approval to collect data for a customer satisfaction evaluation under OMB control number 0970-0303. On June 20, 2006, NCCAN and NAIC were consolidated into Child Welfare Information Gateway (CWIG). In response to this consolidation, the

proposed information collection activities include revisions to the Customer Satisfaction Evaluation approved under OMB control number 0970-0303.

CWIG is a service of the Children's Bureau, a component within the Administration for Children and Families, and CWIG is dedicated to the mission of connecting professionals and concerned citizens to information on programs, research, legislation, and statistics regarding the safety, permanency, and well-being of children and families. CWIG's main functions are identifying information needs, locating

and acquiring information, creating information, organizing and storing information, disseminating information, and facilitating information exchange among professionals and concerned citizens. A number of vehicles are employed to accomplish these activities, including, but not limited to, Web site hosting, discussions with customers, and dissemination of publications (both print and electronic).

The Customer Satisfaction Evaluation was initiated in response to Executive Order 12862 issued on September 11, 1993. The order calls for putting customers first and striving for a

customer-driven government that matches or exceeds the best service available in the private sector. To that end, CWIG's evaluation is designed to better understand the kind and quality of services customers want, as well as customers' level of satisfaction with existing services. The proposed data collection activities for the evaluation include customer satisfaction surveys, customer comment cards, selected publication surveys, and focus groups.

*Respondents:* Child Welfare Information Gateway customers.

*OMB No.:* 0970-0272.

*Description:* The discretionary funding Community-Based Abstinence Education Program (CBAE) is authorized by Title XI, Section 1110, of the Social Security Act (using the definitions contained in Title V, Section 510(b)(2) of the Social Security Act).

**Performance Progress Report/Program Narrative**

The CBAE *Performance Progress Report/Program Narrative* is a semiannual report form through which grantees report performance information used by the Administration for Children and Families (ACF) to evaluate each

grantee's compliance with Federal law and progress toward achieving its goals. Performance information includes:

- Description of major activities and accomplishments during the reporting period;

- Description of significant findings and events;
- Description of dissemination activities;
- Description of other activities; and
- Description of activities planned for the next reporting period, including goals and objectives.

**Program-Specific Performance Measure**

The CBAE program is developing a program-specific performance measure in response to the PART review (a process by which the Office of Management and Budget analyzes and rates a Federal program's procedures and strategies for evaluating its effectiveness), for which the program received a rating of Adequate. In an effort to gather program-specific data on rates of abstinence pre- and post-program participation, ACF and the Office of Management and Budget determined that a program-specific performance measure should be developed to assess key outcomes among program participants. The CBAE office convened a panel of abstinence education experts to gather input on the measure, and, based on the input
